CAMPBELLTON WINS N. S. BONSPIEL

Leads Bathurst By Fifteen
Points—New Cup Now in
Play.

The ninth annual North Shore
Bonspiel at Dalhousie last week was most
successful in every respect. The fine
Dalhousie rink proved very suitable
for such meets there being ample ac-
commodations for both those taking
part and the large number of specta-
tors.

The ice was in fine shape Thursday
morning when the first rink went on
and good curling was witnessed.

During the day the weather moder-
ated and the ice became sticky, but
that only went to show that on glit-
ice or soft, north shore curlers can
get the broom and play a few length.

The following are the rinks which
participated:—

The games were called promptly ac-
cording to schedule there being no
delay or lost time. There were many
fine exhibitions of curling, particularly
the game between the two north shore
veterans of the broom, ship Thibodeau
and skip Wm. Watling of
Campbellton. It was noticed that
wherever Campbellton and Bathurst
rinks played, there was the centre of
attraction. Another game which was
closely watched was skip R. A. Snow-
ball vs. skip M. M. Mowat, and a
great cheer went up when Mowat won
out by 9 points.

All the games were closely con-
tested and there was no lull until the
last stone was thrown.

Some results as shown by the score
card are as follows:—
R. K. Shives and his rink won all
his four games and rolled up a total
score of 67 points, the highest.
T. Wran and his rink won three
games and lost one.
H. G. Millican and his rink won two,
lost one and tied one.

M. M. Mowat and his rink won one
and lost one.

made by all rinks, according to stand-
ing:—

Campbellton Wins Last League Game

Last Night's Game gives League to Camp-
bellton with One Goal to Spare

The sensational clash between Camp-
bellton and Chatham on the latter
last night resulted—if the princi-
ples of sportsmanship are to be ad-
hered to—in Campbellton winning the
Northern Section of the N. B.
and P. E. I. league by a victory of
3 to 1.

The excitement of all those interest-
ed in the game was aroused yesterday
afternoon when word was received
that Willie the referee appointed to
handle the contest had missed his
train in Halifax. Manager Alexander
of the Campbellton team immediately
into communication with A. Ster-
ling, president of the league but this
nervously gave birth to a "double re-
ference" controversy—a disgusting re-
jection of that infamous wrangle
which was a prelude to the deciding
game between Campbellton and Cha-
tham last year. Campbellton refused
to play and the game was called off.

Finally, about 6.45, a telegram was
received from Sterling appointing
Kirk Murray and Thos. Gilbert official
referees of the game. Campbellton
finally agreed to play under protest.

At 8.45 the uproarious clanging of
the 1800 fans present temporarily
subsidized into tense expectancy when
the teams appeared and the belated
game was begun. The first period
which was anything but slow ended
with the score 1 to 1.

In the second period Laviolette
scored a second goal for Campbellton
on a pass from Sharpe. In this period
Chatham shot a goal from inside
the circle—which, according to hockey
regulations could not count as score.
Despite this fact the referees per-
sisted in calling it a goal. But if
hockey rules are to be used in govern-
ing a game of hockey, this shot was
obviously illegal and the score was
rightfully 2-1 in Campbellton's favor
at the close of this period.

The third period was one of the most
sensational episodes in provincial ath-

letic history. The speed of the Camp-
bellton players was incalculable and
the Chatham team played like madmen.
Again and again the visiting players
were slammed up against the boards by
their opponents with bone-breaking
brutality and when penalties were in-
flicted Campbellton invariably "got it
in the neck and the real offense on the
Chatham team went unparaled.

Lavoie played a stellar game in
goal, defending the Campbellton net
with superhuman alertness and skill,
beating back the vicious onslaughts
of his fabled opponents and standing
the strain in an admirable manner. In
this period Matthews made a sweep-
ing end to end rush and scored. The
goal-judge announced a goal. Then,
fully a minute after Murray
offered a ridiculous, inconsistent ob-
jection and ruled off the score. The
Chatham players now apparently lost
all reason and Keeghan and Duncan
threw away their sticks and reverted to
fists instead. While Keeghan held
Thomas Duncan began using his face
for a punching bag and when some
of the Campbellton boys objected,
Murray sent Thomas to the box. This
is surely a new way of playing roc-

key. An excited crowd of specta-
tors climbed over the railing, eager
to engage in the combat. This in-
cluded a bunch of Chatham "hood-
lums" who do little else but fight.
According to the referees, who had
apparently abandoned all reason th-
rough fear of the frenzied Chatham
supporters—the score was 2-2 so far
minutes of overtime as allotted.

Chatham's goal was scored by
Lavoie. The game was called off
at 10.15.

Matthews and Sharpe were
ordered to the box for the offence of a
Chatham player and the Campbellton
boys thoroughly and justly disgusted
with the injustice of the referees,
skated off the ice. In the eyes of
Chatham the score stood 3-2 in their
favor but if hockey rules and ordinary
fair play still obtain in this province,
the result was a distinct victory for
Campbellton of 3-1.

Space does not permit printing the
approprium which Chatham so richly
deserves. If the Campbellton team
and rooters who attended the game
are sore it is because of the infamous
methods employed by their opponents.
Campbellton can take a fair licking.
She has done it before. But to sub-
mit uncomplainingly to such treatment
as they received last night is not de-
manded by the principles of clean
sportsmanship.

Hockey at its tamest is not child
play. It is essentially a rough game,
but when it comes down to raw un-
adulterated DIRT, the Campbellton
boys will not swallow it.

The line-up was the same as in the
previous Campbellton and Chatham
game.
