### THE CAUSE OF BACKACHE

Only in Rare Cases Does Backache Mean Kidney Trouble

Every muscle in the body needs constantly a supply of rich red blood in proportion to the work it does. The muscles of the back are under a heavy strain and have but little rest. When the blood is thin they lack nourishment, and the result is a sensation of pain in these muscles. Some people think pain in the back means kidney trouble, but the best medical authorities agree that backache seldom or never has anything to do with the kidneys. Organic kidney disease may have progressed to a critical point without developing a pain in the back. This being the case, pain in the back should always lead the sufferer to look to the condition of his blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the sensation of pain in the ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give way to unreasonable alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest, or tell you the worst. But in any event to be perfectly healthy you must keep the blood in good condition, and for this purpose no other medicine can equal Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Rub it in for Lame Back.—A brisk rubbing with Dr. Thomas' Electric Oil will relieve lame back. The skin will immediately absorb the oil and it will penetrate the tissues and bring speedy relief. Try it and be convinced. As the liniment sinks in the pain comes out and there are ample grounds for saying that it is an excellent article.

FOR A CLEAN EFFICIENT MOTOR

Not even Imperial Polarine Motor Oils will lubricate properly if mixed with grit and dirt. Your crank-case should be thoroughly cleaned every thousand miles or less. Dealers displaying the sign to the left will clean your crank-case in an expert and workman-like manner. Such dealers use Imperial Flushing Oil, the modern scientific cleansing agent. Employ crank-case service regularly and you will save hundreds of dollars every year.
