ELCO-LIGH ELECTRICITY FOR EVERY FARM

DELCO-LIGHT helps to keep the young folks on the farm. It brings City Comforts and Conveniences and Economies to the farm home.

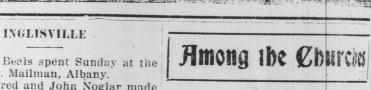

And it pays for itself in time and labor saved.

Delco-Light furnishes an abundance of clean. safe, economical electric light for house and barn.

It furnishes electric power to pump the water, wash the clothes, milk the cows, separate the cream, churn the butter, operate the electric fan and the vacuum cleaner.

Delco-Light is a simple, economical, highly efficient the electric plant that requires almost no attention and that runs on kerosene, gas, or gasoline.
