TAKE NOTICE!

I have severed, in every shape and form, my connection with the GOULD, SHAPLEY & MUIR CO., Limited, Brantford. No more business letters in connection with their business should be sent to me.

I have published a little work "THE HONEY BEE A KEY TO THE WORD OF GOD"—it takes up the Natural History of the Bee as an illustration of the Scriptures. As far as I know everyone who has read it thinks it a wonderful little work. Send to my address 10 cents and get a copy, or \$1.00 for a dozen copies, post-paid.
