EXETER RACES.

The attentive secretary of the enterprising Exeter Driving Park Association has furnished us with the summaries of the races run over their track of June 30 and July 1. Notwithstanding the number of meetings throughout the country on those days the Exeter track was favored with what might, under the circumstances, be considered a good entry list. The attendance was fair; and had it not been for the strong indication of rain on Dominion Day there would have been an absolute crush.

REINSTATEMENT AND SUSPENSIONS.

The little roan gelding Little Jake, of Saginaw, Mich., who gave Jack Draper such a race in Hamilton a couple of years ago, when the former trotted under the name of Erastus, has, since 1874, been under the ban of suspension for non-payment of entrance. By late reports we learn he has been reinstated, the claims against him having been settled.

By order of the Medina, N.Y., Driving Park Association, the following Canadians and horses have been suspended for non-payment of entrance money;

E. W. Ellis, London, Ont., and brown gelding Vanderbilt.

Robt. Harkness and gray gelding Hilley.

The Buffalo, N.Y., Park Association have suspended R. Harkness and gray gelding Hilley for non-payment of entrance money.

OGDENSBURG RACES.

Our report of the Ogdensburg races not having come to hand, we give the following account of the proceedings clipped from an Ottawa paper:

"One of the most important features of the day was the races. The purses offered were sufficiently large to attract the crack horses of New York State as well as those of the Dominion, and the sporting fraternity attended the track in the full anticipation of seeing some good sport. The first race on the programme was a mile and eighty yards' dash for a purse of \$150 to first horse, \$50 to second. There were five starters. After a very pretty race, Lulu won in 1:56½, Gray Cloud 2nd, Clandeboye 3rd. The next race was looked upon as the event of the day as regards racing; and considerable interest was centered in it. It was between five Indians and three trotting horses—Indians to run three miles, changing every half-mile; horses to trot five five miles, changing every mile, and for a purse of \$150. The Indians won in 15 min. 16 secs. The horses trotted on the occasion were North America, American Girl and the Moose. The latter met with a warm reception by the Ottawa boys. He looks well, and promises to surprise the sporting fraternity ere long. A good deal of money was invested in this race, the Indians being the favorites. The next event on the list was the hurdle race for a purse of \$275; \$200 to first horse, \$50 to second, \$25 to third. The starters were Kelso, 162 lbs., ridden by McBride; Squire, 140 lbs., ridden by Williams; Anstrine, 166 lbs., by Jackson; and Lily, 155 lbs., by Flynn. This race was the prettiest on the programme, and created, perhaps, the liveliest interest. The horses kept well together for the first mile and a half. The Squire and Kelso leading alternately. At the finish Kelso came to the

CLIPPERS VS. PARK NINE.—A game was played in the Queen's Park between the above Toronto Clubs on Saturday. The youthful Clippers were victorious by 9 to 1.

In London on Saturday the Tecumsehs defeated the Cass club, of Detroit, by 14 to 0.

The Chicago White Stockings want Goldsmith, the Tecumseh's pitcher, but he won't go.

At the Hamilton Centenary Church Sunday School Pic-nic, held at the Brant House, Wellington Square, on the 6th inst, a friendly game of base ball was played between Mr. Joseph Green's Junior Bible Class, and the pastor's Senior Bible Class, which resulted in favor of the juniors by a score of 16 to 11.

Mr. Maloney, the fast pitcher of the Pen-tanguishene Club, has been barred in the return match with Collingwood. The Northern papers say he is the fastest ball-tosser in Canada.

Cricket.

TORONTO VS. HAMILTON.

On Saturday an interesting contest took place on the Toronto grounds between the Toronto and Hamilton clubs. As there was not time to complete a two innings' match the result was allowed to rest on the score for the first innings, Hamilton winning by twenty-eight runs. The defeat of the Toronto eleven was of course mainly owing to the fact that the Hamilton men out-played them, but their particularly weak points were their bowling and fielding, there being an unusual number of overthrows and other evidences of decidedly loose play in the field, while the bowling was for the most part anything but effective.

RACES OF THE NORTHWESTERN AMATEUR ROWING ASSOCIATION.

The races of the Northwestern Amateur Rowing Association closed at Toledo, Ohio, on the 6th inst. in presence of 5,000 spectators. The day was fine and the water perfect.

The first race, junior single sculls, one mile and return, had five starters, and was won by H. M. Butler, of the Chicago Scullers, in 15m. 56s., closely followed by T. D. Standish, of Detroit.

The senior double sculls race was won by Yales, of Union Springs, N.Y., and Medary, of Cincinnati, over Curtis and Montgomery, of Chicago. Time—14m. 11s.

The next race, junior four-oared shells, had five starters, and was won by the Floral City Club, of Monroe, Mich., in 20m. 22s., closely followed by the Undines, of Toledo, who broke an oar just after turning the stake boat.

The most exciting and interesting race of the day was that of the senior six-oared shells for the championship of the association. There were three starters. It was won by the Wahwahsums, of Saginaw, making the fastest time in a turning race ever made in a six-oared boat, 17m. 28s.; Zephyrs, of Detroit, second and 48s. later; Wataugas, of Detroit, third.

This closed one of the most successful regattas ever given by the association.

ONTARIO POULTRY SOCIETY.

The Reporter says:—A meeting of the Executive Committee of this Society was held at the office of the Secretary, Mr. Alex. Macgregor, in Galt, on Wednesday last. The following gentlemen were present:—Messrs. H. M. Thomas, of Brooklyn; Lot Dean, of Oakville; Geo. T. Simpson, Falkland; F. Sturdy, Guelph; John Aldous, Berlin; Daniel Allen, and R. McMillan, Galt. The President, Mr. D. Allen, occupied the chair. Arrangements were fully made for sending 200 pairs picked fowls to the Centennial, which will be shown at the Provincial Exhibition to be held in Hamilton in September. These fowls will be taken to the Centennial in charge of the President, and Mr. Sturdy, of Guelph. After other necessary business of minor importance the meeting adjourned.

ACCIDENT AT BOTHWELL.

From a correspondent, we learn that a very serious accident happened on Dominion Day to a young man, son of Mr. John McKillop, Reeve of Aldboro', who lives two miles from Wardsville. The poor young fellow left home on the morning of that day, in company with a number of young companions for the purpose of going to Bothwell to see the races held there. It appears that while on the race course one of the running horses bolted into the crowd of people where the young man was standing, striking him on the breast with his knees, bringing him to the ground, and with the force he had attained while running, slid the poor fellow along on the ground, with his knees still on his breast, for a distance of fifteen feet. He was picked up unconscious, and has remained so ever since, and the doctors have poor hopes of his recovery.

LACROSSE.

The match played here on Saturday, for the championship of the world, between the Ontarios and Torontos, was won by the latter in the second, third, and fifth games. Time, 33, 38, 9½, 11½, and 15 minutes. The excitement was intense, and the victors were enthusiastically cheered. Some 4,000 people were present. Challenges were received immediately after the match by the winners from the Shamrocks of Montreal, Montreal of Montreal, Ontarios and Tecumsehs of Toronto. They play the Shamrocks on the 29th inst.

Amusements.

CITY.

The Vokes Family, be it remembered, appear at Mrs. Morrison's Grand Opera House on Monday next, for a season of five nights and one matinee. They are the most extraordinary artists that have ever visited the Dominion, and the enterprise of Mrs. Morrison in bringing them here should meet with substantial recognition.

Mrs. Morrison has effected another great engagement. Miss Adelaide Neilson has agreed to appear at the Grand Opera House in January next.

The Holman Opera Troupe have been playing a round of their light operas to large audiences at the Horticultural Gardens. Miss Sallie Holman is as brilliant as ever. They conclude their engagement to-morrow (Saturday), evening.

The Queen's has been favored with good encouragement. Some new faces put in an appearance, and an entire change of programme was produced. Every night this week the latest New York sensation, Paris by Gaslight, in which the whole company takes part, was presented to great applause.

Van Amburgh's Circus will put in an early appearance here. They are now rapidly approaching from the east, and will show on the Greenville Street lot, Tuesday and Wednesday 25th and 26th inst. This grand combination has been enlarged and improved for the season of 1876, and their motto, "We lead the Van," is singularly appropriate. The Menagerie and Circus are each perfect in themselves, a patch of up entertainment is not given, but each feature is a complete show of itself.

GENERAL.

The Vokes' are at Mechanic's Hall, Hamilton this Friday and Saturday evenings.

The Sea of Ice is the attraction at the Academy of Music, Montreal, this week.

Cole's Hippodrome is announced for Montreal July 25, 26, 27; St Hyacinthe, 28; Sherbrooke, 29; Quebec, 31 and Aug. 1.

Erin and the Drennans open in Quebec for one week, commencing Monday, 17th.

Last Saturday, Signorina Spel terini walked a rope stretched across the Niagara River, near the Railway Bridge, Clifton. For grace and daring she is said to exceed Blondin.

Our Ottawa correspondent says: "At Gowan's Opera House the past week Wilson's Company have been performing with great success a number of the well-known plays of the day. The company is a fine one in every respect, headed by Miss Dollie Bidwell, a strong emotional actress, and Mr. Clarke, the most amazing comedian seen here for years. The troupe soon start on a tour of the province, and deserve to reap a rich reward."

CAMPBELL'S QUININE WINE.—Report from Dr J. Baker Edwards, Ph. D. D.O.L. F.C.S. Professor of Chemistry and Microscopy.

I hereby certify that I have carefully analysed the samples of "Quinine Wine" submitted to me by Messrs. Kenneth Campbell & Co., with the following result:

No. 1.—Dark in color and turbid, deposits a muddy sediment on standing, has a sweet and acid taste, Orange Flavor and scarcely bitter, yields on evaporation a thick syrup of inverted sugar, contains only a microscopic trace of quinine and Quindine. Is made with Orange Wine.

Sample X.—Dark color, with dark muddy deposit on standing, has an acid and slightly bitter taste, contains Cinchonine but no Quinine. Is made with an acid wine, not sherry.

No. 8.—Campbell's—Light color, clear, was no deposit, contained Disulphate of Quinine in the proportion of 1 grain to two fluid ounces. Is made with sound sherry wine.

N.B.—The latter (Campbell's), is the only genuine "Quinine Wine" of the three samples examined.—Signed,

JOHN BAKER EDWARDS, Ph. D. D.O.L. F.C.S. Prof of Chemistry and Microscopy, L.S.M. College and College of Industry, Montreal.

A CARD.—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., we send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. J. W. T. ISAACS, 300 D. Bible House, New York City. 250 and
