MAY

FIT

If you are one of the more conservative Dairymen, who have clung to the crocks and pans and attendant labor and loss overlooking the fact that in these days of fractional profits, it is essential that only the best equipment be used, there is just one way out, and that is the

DELAVAL
CREAM
SEPARATOR

Perhaps through the urgent importunities of the dealer, or mistaken friendly advice, you are the owner of an inferior Cream Separator— which though an improvement over crocks and pans, still enforces a constant loss in skimming and churning, or through mechanical imperfection. There is the remedy,
