

PUBLISHER'S DEPARTMENT

If afflicted or suffering from impurity of blood, or weak lungs, and fear consumption (scrofulous disease of the lungs), take Dr. Pierce's "Golden Medical Discovery" and it will cure you. By druggists.

ADVICE TO MOTHERS.—Mrs. WINGLON'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer, and it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

FAVOURITISM

is a bad thing, but Dr. Pierce's "Favourite Prescription" deserves its name. It is a certain cure for those painful maladies and weaknesses which embitter the lives of so many women. Of druggists.
