BRITANNIA LIFE ASSURANCE COMPANY,
NO. 1, PRINCESS ST., BANK, LONDON.
Capital—One Million Sterling.

Reduced Rates of Premium—Half Credit Rates Premium.
THE great and decided success which has attended this Institution, has induced the Directors to reduce the Rates originally required in British North America, to the ordinary European rates. The result of such reduction is to enable parties to avail themselves of the important benefits of Life Assurance, at much lower rates of Premium than those of any other Assurance Company transacting business in Canada. The most liberal conditions are offered to the assured in the limits to which they may proceed by sea or land. Detailed Prospectuses and every requisite information may be obtained on application to

CLAIMS AGAINST THE DEPARTMENT OF PUBLIC WORKS.

THE COMMISSIONERS OF PUBLIC WORKS hereby give notice to all parties interested, that by an Act passed in the late Session of the Legislature, intituled, "An Act to Amend the Laws relating to the Public Works of the Province," it is enacted that the Provincial Arbitrators shall meet within two months after the passing of the said Act, (10th August inst.), for the purpose of investigating and determining upon all claims filed in this Office within the time allowed by law. All parties who have duly notified this Department of the existence of their claims in general terms, but have neglected to comply with the Provisions of the Act, 10 and 11 Vic., c. 24, which requires that the particulars of such Claims shall be filed with the said Commissioners; such parties are hereby notified to forthwith send in the following particulars as far as it may apply to their several demands, viz.—
Commencement of, and duration of damage; by what Public Work supposed to be caused; quantity of Land damaged by, or taken for the use of such public work; and the estimated value thereof per acre, at the time the Land was so damaged or taken.
Date of Contract, and the several items in detail composing the amount claimed, with measurement of every class of work done.
If there exists any other ground of claim, state how and when the same has arisen, and the sum demanded as compensation therefor.
It is requisite that all Claims shall be forwarded to this Office within one month from this date, in order that the Commissioners may be able to comply with the provisions of the law. If Claimants neglect to comply with this notice within the time thus fixed, their claims cannot be submitted for investigation in the manner required by the Acts.

UNIVERSITY OF TORONTO.

NOTICE IS HEREBY GIVEN that the Professorship of Practical Anatomy in this University is at present vacant. The duties are such as those which usually belong to similar Professorships in British Universities. With these are conjoined those of Demonstrator and Curator of the Anatomical and Pathological Museum. The Medical Session has hitherto extended over Michaelmas and Hilary Terms, including a period of about six months. The fixed salary of the Professor is £250 Provincial Sterling per annum, with £50 Currency per annum as an allowance for house rent, and a proportion of the fees paid. The emoluments of this Professorship, as well as the duties attached to it, in common with those of the other Professorships of this University, are liable to be altered by the existing Commission of Visitation or by a future Commission. The duties are fully detailed in the subjoined extracts. Candidates for the Chair are required to transmit to and deposit in the Office of the Bursar of the said University, on or before the 15th Day of August next, their names, residences, additions, and testimonials, as required by the Provincial Statute, 12 Victoria, Chap. 82, Sect. 1. Extract from Chapter IX.—Of the Demonstrator of Anatomy and Curator of the Anatomical and Pathological Museum. It shall be his duty to prepare, preserve, and take under his special care and observation all such specimens of human and comparative Anatomy, as may be required for the elucidation of the lectures of the Professor of Anatomy of this University; and also to prepare and preserve all such Anatomical and Pathological preparations as may fall within his reach; and also to take charge of all Dissections, Diagrams, and Models that may be furnished for the use of the various Professors of Physic, Surgery, and Midwifery in this University. In executing the office of Demonstrator of Anatomy, he shall be present in the dissecting room for certain hours of the day, to be fixed by the College Council, during the continuance of each course of Anatomical Lectures. He shall point out to the students of Practical Anatomy, the various parts that may be the subject of their studies.—He shall give a daily demonstration on some subject of their studies. He shall give a daily demonstration on some subject of human or comparative Anatomy, and preside over and govern in the dissecting room, all matters relating to the acquisition by the Students of a knowledge of Practical Anatomy. He shall keep a Register of all the preparations contained in the said Museum, noting against each and under a current number, any account or history that may relate to it; and he shall attach to each object its current number, by which means a reference can be made from the object to the Register and its history be traced. In all further details of its duties he shall receive and obey instructions from the College Council. Extract from Chapter X.—Of the Professors. The duties of the Professors respectively shall be such as usually belong to similar Professorships in the Universities of Great Britain, with all such further and other duties as are or shall be assigned to or required of them by any competent authority in this University.
Toronto, July 23rd, 1850. 29.2w.

UNIVERSITY OF TORONTO.

NOTICE is hereby Given, that the time for receiving the testimonials, &c., of Candidates for the Chair of Practical Anatomy has been extended to the SECOND DAY OF SEPTEMBER NEXT.

Plantagenet Mineral Waters.
Unrivalled in the World!

THE Proprietor of these excellent Waters, renowned in Lower Canada and the United States, where millions of gallons have been used, begs to inform the public of Toronto, and its vicinity, that he has established a Depot of these Waters in KING STREET, No. 24, next to the FARMERS' BANK, where he will have constantly on hand a fresh supply of these waters—arrangements having been made to receive them weekly, direct from the Springs. In offering these waters to the Public of Upper Canada, the Proprietor begs to add that they have last year been analyzed by the Provincial Chemist, T. D. Hunt, Esq., whose report is now published in the papers of this City, together with the innumerable certificates of the most eminent members of the Medical Profession in Lower Canada and other places, where the Water had been used, testifying to its efficacy and capacities, and the great number of cures in diseases of all sorts which its use has effected.
Persons desirous of using it as a medicine, should take it before breakfast; one or two glasses as may be required.
The Water can be procured Bottled or by the Gallon.
