HOT MORNING BREAKFAST

Comfort Depends on Food.

It is not so easy to arrange a tempting breakfast for a hot morning, but everyone appreciates such a breakfast and enjoys the relief from the heated blood caused by a meat and coffee breakfast.

In fact by skillful selection of food, even the hottest day can be made quite comfortable.

Start with fruit of some kind, then a dish of Grape-Nuts food with cold cream, one or two soft boiled eggs, a slice of bread and butter and a cup of cocoa or Postum Food Coffee. On that sort of meal one will be fully nourished until the mid-day

Grape-Nuts food is concentrated and powerful, imparting to the user a sense of reserve force and strength. The strong man thinks the weather moderate and comfortable when the nervous, weak man thinks it unbearably hot. Grape-Nuts food is perfectly cooked at the factory and ready for instant use, cool and delicious, requiring no hot stove and cross cook on a hot morning. "Health is a matter of wise selection of food and a contented mind."
