## Coffee

## Toppers.

It is almost as hard for an old coffee toper to quit the use of coffee as it is for a whiskey or tobacco fiend to break off, except that the coffee user can quit coffee and take up Postum Food Coffee without any feeling of a loss of the morning beverage, for when Postum is well boiled and served with cream, it is really better in point of flavor than most of the coffee served nowadays, and to the taste of the connoisseur it has the flavor of fine Java.

A great transformation takes place in the body within ten days or two weeks after coffee is left off and Postum Food Coffee used, for the reason that the poison to the nerves has been discontinued and in its place is taken a liquid that contains the most powerful elements of nourishment.

It is easy to make this test and prove these statements by changing from coffee to Postum Food Coffee.
