In addition to the Sale at his own Stores, the Sale of HOUSEHOLD FURNITURE and EFFECTS at the private residence of parties declining House-keeping or removing from the city, will claim special attention; and all OUT-DOOR SALES of this description are respectfully solicited. Increased facilities have been secured, with the view to the efficient carrying out this department of the business, in order to ensure the greatest economy and des-patch in disposing of property, so that parties seiling out can have their account, sales and proceeds immediately after each sale.
