Victory Bonds are beyond all com-

Victory Bonds are now on the various exchanges subject to the usual commissions for buying and selling. Quotations will be found on the financial pages of all Canada's leading dailies.

Dominion Government securities are the best in the market and no price fluctuations can affect the quality of the investment or the ability and undertaking of Canada to redeem them at maturity at one hundred cents on the dollar.

The financing of the greatest crops in Canada's history has required all available banking funds. Money rates must, therefore, be temporarily high. Many business men, under these conditions, prefer selling securities in order to procure the necessary funds for business purposes. With such a volume of securities coming to the market, unusual investment opportunities are resulting.

The crest of high prices for commodities has been passed. Many staple products have already had decided drops. These conditions always precede higher opportunities of a lifetime.

We have every possible facility for handling War Loan business. Your orders will receive our best attention.
