

6. The Commission shall lay down permanent flight routes, for use by special aircraft sampling missions, over the territory under the jurisdiction or control of each Party. Such flight routes shall be laid down in agreement with the Party concerned and in accordance with the standards set forth in Article 7 of Annex I. If a permanent flight route which the Commission desires to lay down should be unacceptable to the Party concerned, the Party shall provide, without undue delay, an alternative route which in the judgment of the Commission meets the requirements of the System.

7. The Commission may conclude agreements with any State or authority to aid in the carrying out of the provisions of this Treaty and its Annexes.

8. The Commission shall ensure that the most effective and up-to-date equipment and techniques are incorporated in the System and, to this end, shall ensure that an adequate research and development program is carried out.

9. The Commission shall establish procedures for the implementation of Article 13 on detonations for peaceful purposes.

10. In addition to the functions referred to in the preceding paragraphs of this Article, the Commission shall perform such other functions as are provided for in this Treaty and its Annexes.
