

THE SECOND AREA OF SAVINGS COMES IN GOVERNMENT PROGRAMS THEMSELVES.

WE MUST IMPROVE THE BUDGETARY PROCESS SO IT CHALLENGES THE EFFECTIVENESS OF ON-GOING PROGRAMS.

SUNSET LAWS, PROGRAM EVALUATION -- THESE AND OTHER TECHNIQUES MUST BE EMPLOYED TO END PROGRAM DUPLICATION AND OVERLAP.

IN THE ENERGY SECTOR, WE PLAN TO MOVE TO A TAX-BASED INCENTIVES SYSTEM AND AWAY FROM PIP GRANTS. OFF-OIL PROGRAMS WILL ALSO BE BROUGHT TOGETHER IN ONE FUND.

IN THE ECONOMIC DEVELOPMENT AREA, WE WANT TO SEE WHO IS PAYING THE 8 BILLION DOLLARS IN CORPORATE TAXES, AND WHO IS RECEIVING THE EIGHT BILLION DOLLARS IN GOVERNMENT EXPENDITURES. OUR GOAL IS TO MOVE AWAY FROM A POLITICIZED GRANT STRUCTURE TO GREATER RELIANCE ON THE TAX SYSTEM.
