NEW ORLEANS BRANCH

Southern Lady - if only for five minutes -
 I am just in receipt of an invitation from Camosa
 to attend the Opening of the Cameron-Pixel Memorial
 Nurses Home on 4th. Sorry I can't be present -
 Harg. may be there. - I hope so.

I had a sweet note from May soon after your
 mother passed away - My! how you will miss your
 mother when you go home. - I shall miss her too.
 for my home trip would not be complete without
 having seen "Mother" Carrie several times. -

I am looking forward to the pleasure of knowing
 that you and Miss Susie have met - "Watch
 your step" - Don't tell her too much about me
 With very best wishes to you and yours

Very Cordially
