

September 3rd, 1924.

Mrs. C. E. Cowan,
Tusket, Nova Scotia.

Dear Mrs. Cowan:-

I was very interested to receive your letter regarding the Tusket War Memorial, with the enclosed newspaper cuttings.

I am very sorry that it came while I was on a vacation so that I did not have the opportunity of sending you the good wishes which I should like to have offered. I trust that your ceremony had all success.

Yours faithfully,
