TAYLOR.—WESLEY AND METHODISM.

By Isaac Taylor, Author of "Natural History of Enthusiasm," etc. With a Portrait of Wesley, engraved by W. Greathach. Post 8vo. Half-a-Guinea, cloth.

"All the characteristics of early Methodism are analysed in the present volume with a discrimination, and described with a clearness, such as we might expect from the philosophical and eloquent author of the Natural History of Enthusiasm. Of the Methodism of the eighteenth century, the corporeal part remains in the Wesleyan Connexion; the soul of it, while purifying that body, was transfused into all Christian Churches. How that great movement became a starting-point in our modern history, and how it was the source of what is most characteristic of the present time, as contrasted with the corresponding period of last century, not in religion only, but in the general tone of national feeling, and manners, and literature, Mr. Taylor ably shews."
