MORE CUSTOMS SEIZURES—The Montreal Customs Officers have made nine seizures during the week of cotton duck and flax canvass and articles made therefrom, consisting of tents, awnings, tarpaulins, horse covers, etc., from merchants in this city who had imported the duck and canvas and entered it at a low rate of duty for ship and boat sails, and from others to whom these goods had been sold, for other purposes. The tariff admits such duck and canvass at 5 per cent duty provided the importers take the oath that it is for sail-making. The Customs officials having ascertained beyond doubt that scarcely one fourth of it was used for this purpose, and the balance misapplied to the other purposes, above mentioned, have seized both the duck and articles made therefrom, other than sails. The matter has been reported to the Department at Ottawa, and it is under consideration, whether in addition to the confiscation

tion of the goods (which seems highly probable) the parties can be held liable to criminal action for perjury. Seizures of similar articles might be made all over the city if the sins of the guilty were to be visited upon the innocent. Another seizure of \$5,000 worth of dry goods last week while the goods were being conveyed across Lake Memphremagog from Newport, Vt. to Georgeville is reported.
