TOOK HIS LIFE ON ISLAND QUEEN

Montreal Man Found With Bullet Wound in Head in Lavatory of Boat.

CAME FROM GUELPH

John W. Irwin Reported to Have Been Inmate of Sanitarium There.

shot thru the mouth, in the lavatory of the ferryboat "Island Queen," which was crossing the bay from the island to the city. The discovery was made by the engineer, Isaac Pickard, I Grange avenue, and Fred Rutherford, deckhand, 360 West Wellington street. When about a quarter of a mile from the Bay street wharf Pickard went to the lavatory and finding the door the lavatory and finding the door tightly closed, returned to the engine-

six feet six inches in length, with his head reaching to the far wall and his feet tightly pressed against the door. This probably accounted for the fact that Pickard could not push the door

A letter addressed to his mother at 485 Victoria avenue, Westmount. Montreal, was found in his pocket, together with a wallet containing \$9.35.a solid gold watch and gold fob. He is said to have been an inmate of the Homewood Sanitarium, Guelph, and in the letter he complained of the treatment given him by a coertain dector. ment given him by a certain doctor,, who, he alleges, had fooled him. It is illegibly written and contained state of a rambling nature, showing that he was probably metally de-ranged. He stated that he knew nothing could be done for him, and asked his friends not to think unkindly of his action.

As fair as could be ascertained he came from Guelph to Toronto yesterday morning with the intention of visiting a friend, but having lost his way wandered to the wharf at Bay street about 1 o'clock, where stayed for about half an hour. He returned again at 4 o'clock and boarded the Island Queen. On reaching the island he at first went to get off the boat but changed his mind and sat wn, returning to the city.

No one of the deckhands saw a gun

o have concealed it down one of the legs of his pants. The body was re-moved to the morgue, where an in-quest will be held. Mrs. Irwin has been notified by the dice and will likely reach the city this evening.

TORONTO DETECTIVES PENETRATE DISGUISE

HAMILTON, Nov. 26.-Hamilton will HAMILTON. Nov. 26.—Hamilton will soon have a long-felt want filled in the erection of a building on North James street which, when completed, will be an ideal place for boxing and other sporting attractions. The new stadium is being erected by Tommy Gould, who promises that it will be modern in every particular, and that it will be ready to open about the middle of December.

The building is absolutely fireproof, with steel stairs and steel casement sash thruout, and terrazzo floors in the corridors. The exterior is red face brick with sand stone trimmings. The heating and ventilating of the building is by Spencer, self-feeding boilers on modulating vapor system and fan ventilation. This system is the most sanitary for school purposes.
