
Fanny Lambert

By HENRY DEVERE STACPOOLE.

Author of "The Crimson Azalea " "The
Blue Lagoon," etc., etc.

\$1.50.

The two chief figures in this story are

Fanny Lambert and
her father, two en-
tirely unconventional
characters, delightful-
ly simple and un-
worldly. The book is
full of irresistably
humorous touches, ir-
responsible fun
being, in fact, its
characteristic fea-

ture. The lesser figures, down to the
merest thumbnail sketches, are all in-
cisively drawn.
