THE TORRENS SYSTEM OF LAND TRANSFER IN MANITOBA.

ago (1883), as secretary of the Canada Land Law Amendment (Torrens) As-sociation, I came to the northwest to enlighten the government and people upon the merits of the Torrens system of land transfer. Mr. W. B. Scarth was coming up as commissioner of the Northwest Land Company in a Wor-cester excursion car. He was interested in the introduction of the Tor very pleasant party, among whom were the present Attorney-General Foy, the late John Small, M.P.; the and his two sons; a senator from New We came by way of Chicago and St ise in Chicago We lived on board the car in great bighly effectionsfort and luxury. The Norquay Government was in power. A bill had that session been prepared under the troduced into the house of commons at Ottawa by the late Dalton McCarthy and seconded in an able speech by the Hon. Edward Blake.

This bill was adapted to Manitoba In the report of the medical health toba Government and I explained the less than a week—and generally about two days. The costs being nominal, and a delegation waited on the Manitoba Government and I explained the less than a week—and generally about two days. The costs being nominal, and days the costs being nominal, and the costs being nominal. held, where the writer, showed the advantages of the Torrens system over as an unnecessary expense.

I am surprised and delighted with

Foundation was there laid for the success which has attended the system here. When the new government came into power they made a radical change in the whole registry system. They consolidated the two systems, and tho these people could not be persuaded neighborhood were then under the old government strongly in favor of home rule and a King who publicly intimat- to live in healthy and attractive homes; Torrens system has almost entirely

The land titles office is a fine cut crossing the channel at the earliest turned into suburbanites. How utterly possible moment after the coronation, untrue this is may be learned from the was so kind as to show me thru the office and give me full information.
The business under the old system has almost ceased as most of the land His proposal was in sympathy with poor but the poverty, as the sage has been brought under the Torrens

registry system of dependent title (the ntario system) was only \$720. Formerly they had five examiners of titles to pass the title to lands from the old system; now they have only one, and the whole staff in the old registry office is only three. In the tem is being carried on of transfording

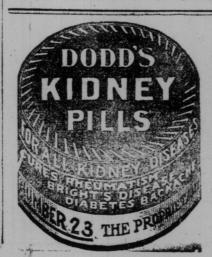

One of the most important features

With the lawyers the system is most popular and they advise their clients to take adventage of it. One solicitor said to me. "It relieves us of responsiility and we get as good fees."

Time for Biscuit and Berries

When your think of strawberries or other fresh fruit, think of

SHREDDED WHEAT BISCUIT

the cleanest, purest, most nutritious of all the cereal foods—combines most naturally with all kinds of acid fruits-better than the soggy white flour dough of ordinary short-cake and more easily digested. A Summer delight and a stomach joy for those who like good things to eat and who have to cut out heavy winter foods.

Heat a Shredded Wheat Biscuit in the oven to restore its crispness; then cover with strawberries, raspberries, or other berries and serve with milk or cream, adding sugar to suit the taste. A dish of Shredded Wheat with berries and cream is the bright spot in a dull day. It will keep the stomach sweet and clean and the bowels healthy and active. An ideal Summer food, ready-cooked, ready-to-serve. Your grocer sells it.

Two Shredded Wheat Biscuits with milk or cream and a little fresh fruit will supply all the energy needed for a half day's work or play.
