## Record Gate at Saturday's Hockey Game in Arena

Montreal Teams and Quebec Are Winners in N. H. A.

O. H. A. Teams Cannot Play Hamilton Alerts

### Note and Comment

There were no records on the ice Saturday at the Arena, but all gate and attendance marks for hockey in Toroato were smashed to smithereens. The crowd was splendid and numbered close to the limit of 4000 and the money reached the fine total of \$3040. As the home teams take their own gate, the Tecumseh management will be able to pay salaries for a week or so on their share of \$1520, the rink taking the other half.

The six men a side game continued to serve up spectacular hockey. On Saturday night it was one grand sprint after another with a little combination thrown in to assist in the controversy with the rabid supporters of the old seven-a-side

First Period—Wanderers started with a rush and Russell scored in one minute by himself. Roberts made a second one soon after from the side. Smith replaced Striker. Throop took Gaul's place, Liffiton rushed and passed to Smith in front of goal, who pushed it in. Striker replaced Liffiton. Oake relieved Striker. G. McNamara tore thru and scored all alone. Roberts secured the lead by netting another just as the whistle blew. Score: Wanderers 3, Tecumsehs 2.

Second Period—Gaul rushed and fell in front of the goal, but Smith smashed it in. Con Corbeau replaced G. McNamara and Striker took Smith's place. A. Ross made a dodging rush and slammed it in when Nicholson foolishly came out to stop him. Liffiton replaced Gaul. Russell made another exciting rush and scored. A dispute arose over a goal-keepers' decision at the end, but the tally was not allowed. Period ended with the score Maguire has made good; let him finish his work. Vote Maguire.

Third Period—G. McNamara started a rush, but was forced to pass to Striker, who promptly deposited it in the nets. Roberts was hurt and Miller took his place. Russell was fined for slugging McNamara. Considerable body checking was indulged in by both teams and the game began to show signs of roughness. Nicholson again came out and Roberts beat him easily. Hyland ripped thru for the last tally. Manager Birmingham of Cleveland tried to secure Pitcher George McConnell of the Highlanders during the recent American League meeting in Chicago. Birmingham asked President Farrell if he would accept certain Cleveland players in exchange for McConnell, but met with a prompt turndown. in goal, played a consistent game, and so did Brown in Bob Wall's old place at point, but in a mix-up Brown got hurt so badly that he had to leave the ice, and the Varsity team dropped Jupp. The latter came back in the second half, however, while the Crescents had substitutes. The Torontonians struck their stride after they got accustomed to the rink, and tho the Crescents put up a stiff argument, the visitors forged up even and then at last got the extra point. While the match was not a particularly brilliant exhibition of hockey, it was a good game to watch and excited considerable interest and enthusiasm from a crowded gallery. The line-up:

Toronto (5): Goal, W. Parker; point, B. Frith; rover, H. Webster; cover, E. W. German; centre, E. Jupp; left, H. Aird; right, R. Strome.

Crescents (4): Goal, H. Carhart; point, Tod Brown; rover, J. Shirreff; cover, E. Dufresne; centre, R. Reinmund; left, W. Scarboro; right, R. Hallock.

# FROM MEMBERSHIP IN O. H. A

At Saturday afternoon's meeting of the Ontario Hockey Association executive the Hamilton Alerts were dropped from membership, and a barefaced attempt at a wholesale violation of the rules and principles of the association was effectively disposed of. Any other course would have been impossible. The committee's action was the result of the application of the Alerts for certificates for a dozen players who were brought from a dozen players who were brought from a liparts of the country, and Blanted in Hamilton in time to get within the residence rule date, Aug. 1. Some of them are notorious for their traveling propensities, Marchand and Gustin being last in Cleveland, while others halled from Kingston, Orillia, Detroit, Peterbore and Oshawa. Among them were: H. G. Mohan, Reg. Boyer, E.C. Langman, Clayton, Frechette, Fred B. Denison and B. V. Hunt.;

After hearing Mr. M. M. Robinson of the Alerts' executive as to the methods used in collecting the team, and learning that one of the executive was a professional trainer, formerly with Queens, the committee reached the conveition of Superior of Supe

not representatives of a genuine athletic club.

It was resolved that the membership of the Alerts in the O.H.A. be cancelled and the fees paid in returned. It was street West.
