SATURDAY MORNING, JUNE 22

Labor and Dr. Cody.
Tonight the labor party is to meet
to discuss and decide whether the
election of Hon. Dr. Cody should be
contested in Northeast Toronto...

The men who follow this policy
would make the labor party a party
of Ismaelites, their hand against
every man, and every man's hand
against them...

Dr. Cody, as a representative of
Labor, and as a friend of Labor,
would be a more ideal candidate and
would accomplish more for Labor than
any candidate the labor party is likely
to nominate from its own ranks...

And Dr. Cody in taking up the
ministry of education is taking up a
Labor policy, and we know of no one
more likely to carry out adequately
and effectively the aims of Labor in
regard to education than Dr. Cody...

We understand, and it has been so
stated in The Industrial Banner, that
the chief opposition to Dr. Cody is
on account of his profession. A man's
profession does not usually make him
better or worse than other men...

"His Terrible Swift Sword."
They do things thoroly on the other
side of the line. Seven Pastor Rus-
sellites, who were convicted of con-
ducting a pro-German campaign, have
been sentenced to twenty years' im-
prisonment apiece. Uncle Sam knows
exactly what he wants and how to
get it...

WHAT THE PRESS RECEIVED FOR
ADVERTISING THE VICTORY
LOAN.
Various estimates have been made
as to the amounts the press received
from the government in connection
with the press publicity for the Vic-
tory Loan, but the actual figures paid
were clearly set forth in audited
statements submitted to the annual
meeting of Canadian Press Associa-

tion, Inc., held in Toronto on June 12
and 14. The total amount paid by the
government for advertising space was
\$165,419.81, which was distributed
among 1400 newspapers and other pub-
lications. Approximately \$5000 was
spent in the preparation and distribu-
tion to the press of a large number of
etc., which were inserted in the press
without charge. The setting of type
and making of duplicate plates of the
advertisements for the various publica-
tions used and the fees paid to the
five co-operating advertising agencies
for their services cost in the neigh-
borhood of \$37,000, making the total
expenditure \$202,419.81.

As the total cost of floating the
loan was approximately \$5,000,000, the
government's expenditure on press
publicity represents less than five per
cent. of the total expenditure. It is
interesting to note also that the press
publicity cost only one-twentieth of
per cent. of the total amount sub-
scribed to the loan.

The press publicity for the loan was
handled by the Canadian Press Associa-
tion, Inc., and the officers of the asso-
ciation and its individual members
co-operated splendidly in making the
campaign a success. During the three
months last fall most of the time of
the president, J. H. Woods, Calgary
Herald, and the office staff, was spent
in the preparation of the campaign,
and for several weeks the committee
of publishers in charge were in almost
constant session. On the other hand,
contributed, without charge, space in
their newspapers and other publications
commercial rates, would run up to
more than the total amount paid for
the advertising space.

Neither Canadian Press Associa-
tion, Inc., nor any of its officers or
committees, received any remuneration
for their services in connection with
the loan, those who were called upon
voluntarily and in the spirit of national
service.

INDUSTRIAL SCHOOLS
NEED MORE MONEY

In the absence of Ald. Hiltz, at the
meeting of the Industrial Schools Asso-
ciation yesterday afternoon, Mr. Fer-
guson was voted to the chair.
A good deal of discussion arose out
of a proposition brought forward by
Trustee Ferguson, that the Victoria
Industrial School, and \$5000 for
the Alexandra School should be
borrowed from the Imperial Bank for
the purpose of carrying things over
for the summer in the two institutions.

Ald. Johnston asked what the rate
of interest would be. Six and a half
per cent. was the answer. Mr. Fer-
guson explained that debentures which
had been advanced for the building
of a cottage, which, however, had not
yet been erected, were now in the bank.
Explaining why the money was
needed, Mr. Ferguson said: "I suppose
the chairman and others are
aware of the fact that the schools
must have more money to live, and
that unless they get an increase they
cannot pay their bills."
"Is it legal?" asked Ald. Johnston,
referring to the proposed loan.
The chairman thought it would be
legal, and that it was a temporary
measure.

There was some talk across the table
of the members resigning if something
was not done. Mr. Ferris stated
that he had had an interview with the
bank, and he knew it was expected
that if the money was advanced it
would be paid before the end of the
year.

It was finally arranged that the res-
olution as brought forward by
Trustee Ferguson should be passed
to be acted upon only after hearing
the report of a delegation appointed
to wait upon the provincial treasurer
for the purpose of explaining the need
of the schools, and asking for an in-
crease in appropriation. The com-
mittee appointed were the chairman,
Ald. Hiltz, the treasurer of the board,
W. K. Doherty, and Ald. John-
ston.

In his report for the month of
May, C. Ferris, superintendent of the
Victoria School, stated that the
attendance had been 313, the number
of pupils being 284. There were 18
pupils committed to the school.
Temporary parole to work on sugar
beet farms near Chatham. The work
on the school farm was also reported
to be in a very satisfactory condition.
Groups of boys having been taken
from the tailoring, shoemaking and
other classes to receive practical train-
ing in gardening. The school, it was
stated, would be in charge of ex-
perienced teachers during the months
of July and August.

Expenses for the month were re-
ported as \$4787.17, of which \$1556.49
was for salaries. It was also stated
that the cost of the raw material per
meal, per head, was six cents, being
exactly double what it was some
time ago.

PARKDALE AUXILIARY.
A meeting of the women's auxiliary
of the Parkdale branch of the Great
War Veterans' Association was held
last night in the Templars' Hall, cor-
ner Queen and Dovercourt. Mrs. M.
E. Waldron, president of the West
Toronto branch, gave an address outlin-
ing the work done and the work in
progress of her branch. As the West
Toronto branch has been organized
for some time, the information Mrs.
Waldron was able to give was helpful
to the women of Parkdale.

HUNDRED MEN WANTED.
Voluntary enlistment of 100 men for
the Canadian Army Service Corps,
Mechanical Transport Section, was
authorized yesterday. The recruits
must have experience in mechanical
transport work, and be of either A or

Centre.

SEVENTY PER CENT.
HAVE REGISTERED

After Tonight Every Person
Over Sixteen Must Possess
Registration Card

Today is the last day for registering.
By tonight, every man, woman and
child over 16 years of age, regardless
of creed, color or race, must be able
to produce a registration card when
called upon to do so or suffer the
penalty of the law. Exemptions to
this rule are those in khaki, and even
some of the soldiers, who expect to be
accredited soon, registered.

"Last night," estimated that 70
per cent. of the population of Toronto
was registered. There has been a
splendid response and no one seems
to have any objections," said the
registrar for East Toronto. "We had
894 volunteer workers last night, and
if a case was heard of where a per-
son, thru ill-health or infirmity, could
not come to the booths, the registrars
were very good in going to the homes
and registering them, altho they did
not have to."

THEOSOPHISTS DISCUSS
THE HOUSING PROBLEM

A good gathering of members at-
tended the meeting of the labor pro-
blem group of the reconstruction
group of Toronto Theosophical Soci-
ety in Foresters' Hall last evening.
Mr. Glen occupied the chair. A dis-
cussion took place upon the housing
situation and how best it could be
met in Toronto. Mrs. Flora McDonald
Denison, quoting from an article in a
local paper, which spoke of the
slummy condition of the ward, and
the conditions under which little
children were living in this part of
the city, expressed the opinion that
such conditions were a disgrace to
the country, and that the question of
housing should be one of the chief
concerns of the government.
Suggestions were invited by the
chairman upon the function of labor
unions, and Mr. Smyth spoke briefly
of the housing problem in other
countries, and how it was after-
wards discussed by all present.

THE WOMAN WHO CHANGED

BY JANE PHELPS

An Unpleasant Ride.

CHAPTER CXIV.
We started out in high spirits.
George seemed almost as pleased as
I was to go. I chatted and laughed
with him, forgetting to be dignified,
and I was charmed by the swiftly moving
car, and the fresh air. I had carefull-
ly pinned my self before we left the
restaurant so that my hair would not
be a reprimand from George, who had
very little patience with straggling
locks.

BIBLE STUDENTS
GET TWENTY YEARS

Pastor Russell's Successor and
Seven Disciples Are Sen-
tenced for Conspiracy.
New York, June 21.—Joseph
F. Rutherford, successor of Pastor
Russell, as head of the Inter-
national Bible Students' Association,
and six of his disciples, were today
sentenced to twenty years' imprison-
ment for conspiracy to violate the
espionage law.
The defendants were William
T. Van Amburgh, treasurer of the
Watch Tower and Bible Tract Society;
Robert J. Martin, auditor of the so-
ciety; Fred H. Robinson, pres. today
representative of Rutherford; A. Hugh
McMillen, superintendent of the
Bethel Home, domicile of many of the
society's members; and George E.
Fisher and Clayton J. Woodworth,
joint authors of "The Finished
Mystery," and directors of the Inter-
national Bible Students' Association.
Giovanni De Cecca, another defendant
convicted, was deferred for two
months, pending an investigation into
his past career suggested by the
court.

rative and must be forwarded to mili-
tary headquarters not later than the
tenth day of each successive month.

Government Now Said to Favor
Federal Solution for Ireland

London, June 21.—The speech of
Earl Curzon in the house of lords last
night in regard to the proposed Irish
parliament as an admission of a
breakdown in the government's Irish
policy, and it is believed that the
attempts will be made, at least
for some time, to introduce a home
rule bill.
It is understood the government now
favors a federal solution of the prob-
lem, which will be applicable also to
Wales and Scotland. Premier Lloyd
George has consented to meet a de-
putation from all parties in both
houses of parliament desirous of set-
ting up a commission to draft such a
federal scheme.

AUTO TURNED TURTLE.

Party of Women From Woodstock
Had Narrow Escape From Death.
Woodstock, June 21.—An auto party
from the city had a narrow escape
from death or serious injury a few
miles east of the town last night.
Mrs. Blair, accompanied by Miss E.
Sharen and Miss F. Henderson, were
returning to the city when their car
turned turtle. Mrs. Blair escaped with
a sprained ankle and severe bruises,
while the other members escaped un-
scathed. The car was considerably
damaged.

urer, S. J. Frame, Toronto.
