## GERMANY TURNS OVER SHIPS FOR FOOL WESTERN LABOR THREATENS GENERAL STRIKE JUNE 1ST

### ALBERTA MEMBERS TOLD MUST DEMAND TARIFF REVISION

Farmer Constituents Insist Reform Legislation Shall Be Put Through at the Present Session.

Calgary, March 15.—The United Farmers of Alberta have taken the lead in what practically amounts to an ultimatum to the Dominion Government on the tariff question.

Instructions have been sent to C. Rice Jones, head of the United Grain Growers, to present their case to the Dominion Government for revision of the tariff and also had the local wire the various Alberta members as to their stand. The wire went to Ottawa and the replies received from some of the Alberta members said:

"Make personal demands on each of Alberta members on behalf of their former constituents that they work and vote for enactment into legislation of reforms embodied in platform at present session. Am mailing copy of platform to each Alberta member."

Telegraphic replies were received from Dr. Michael Clark and other Alberta members unanimously endorsing the stand and promising their co-operation.

W. A. Buchanan—"I can state my position very briefly. I am in entire sympathy with the platform and have advocated it in my newspaper. I will use my influence as a member of the House of Commons to forward its adoption in the Legislature."

Mr. Rice Jones, who has just returned from Ottawa, was very pessimistic over anything being done this session on the tariff. The situation appeared to be that while the western union members were solid on the tariff issue for reforms, they were hesitating to embarrass the Government by coming out and voting for them and thereby possibly defeating the Government.
