Hang This Sign Up in Your Memory

This "NOBLEMEN" sign in the press and among the cigar dealers is to impress every intelligent Canadian smoker with the DOUBLE VALUE there is in this cigar.

When you propose to pay twice as much for an imported Havana cigar, we want the image of this "NOBLEMEN" sign so clear in your memory that you will first hesitate and then buy a BETTER ALL-HAVANA CIGAR, made in Canada, and for HALF THE MONEY.

'A "NOBLEMEN" is all that you can get in the imported Havana-both the quality of the leaf and the perfection of the making—at lower price, because of what we save on customs duty.
