Detectives Nursey, McConnell, Dawn and Cronin were responsible for the arrest last night of Milton Hayton, 4 Loncoln avenue; Leonard Mulrooney, 39 Stair avenue, and Robert Laird. 339 West King street, upon the charge of stealing \$2000 worth of tires from

Tells Saskatchewan Farmers Action by Canada Alone Not Beneficial.

Regina, Sask., Oct. 7:—The Saskat-chewam supporters of the new National Party unanimously passed a resolu-tion, at this morning's session of their annual convention here, strongly urging the immediate reinstatement of the Canada Wheat Board. A delegation was appointed to take a copy of the resolution and present it to Hon. J. A. Calder, who is in town. The delegates went on record as favoring prohibition.

Wait on Calder. A deputation representing farmers of Saskatchewan waited on Hon. J. A. Calder today for the purpose of presenting a resolution demanding the Mr. Calder said just so long as the United States, Argentina, Australia, Egypt and India continue to sell in the open market, the wheat importing countries will buy in that market, and while Mr. Calder was not prepared to express a definite opinion, he was inclined to express the view that control by Canada alone would do

more harm than good. Government Policy.

The minister stated that after long was within 168,000 tons of the output during the last week before the strike. As there is now a general resumption of work in the anthracite region, the output should steadily increase.

WIRACITIATIC CIRE

experts available, the government had decided on a course of policy. Last year, notwithstanding serious opposition, it has turned out that our course was right. The same may be true this year. Mr. Calder promised to place the representations of the delegations of the delegations immediately before the government.

Calgary, Oct. 7.—"The setting of a guaranteed minimum price for wheat by the government is imperative in the interests not only of agriculture, but of the financial stability of Canada as a whole." This was the emphatic statement in conversation with the Canadian Press representative yesterday of John I. McFarland, president and managing director of the dent and managing director of the statement is imperative in the interests not only of agriculture, but of the financial stability of Canadian Press representative say of Quinte, has been taken over from its owners, who will receive \$85,000. W. B. Cleland, general manager of the Ontario government dispensaries, has resigned his position. Official announcement of the fact is expected to be made any time. The salary attached to the position was \$10,000 at year, making it the most lucrative job in the gift of the government. No announcement of a successor has been made, but it can be taken for granted that he will not receive anything like the salary Mr. Cleland received.

To stealing \$2000 worth of tires from the Grand Trunk Railway yards. The detectives arrested the men on Mase-field avenue.

There is reason to believe that the police have largely broken up a large and influential gang of railway marauders.

There is reason to believe that the police have largely broken up a large and influential gang of railway marauders.

CONTROL OF WHEAT

Ottawa. Oct. 7.—(By Canadian Press.)—Apparently the trans-Canada airplane and scaplane flight is proceeding favorably. Reports received at the Alexander to Leckie, arrived at Riviere du Loup, the first refueling station, at about 10 o'clock. A previous bulletin received here announced that the plane had passed Edmundston. N.B. It is expected that from 15 minutes to half the first refueling station, at about 10 o'clock. A previous bulletin received here announced that the plane had passed Edmundston, N.B. It is expected that from 15 minutes to half expected that from 15 minutes to half an hour will be consumed at Riviere du Loup in transferring to the F-3 boat, which will be flown to Ottawa. It is stated at the air board that the F-3 will reach here about half-past three on Friday morning. After refueling, this machine will be flown to Sault Ste. Marie, and thence to Winnipeg.

Fell Into River.

Fredericton, N.B., Oct. 7.—The Fairey float type seaplane, in which Col. Leckie, D.S.O., director of flying operations of the Canada air board, and Major Basil Hobbs, D.S.O., started the transcontinental air flight from Halifax this morning, crashed into the St. John River at Whelpley's Point, 20 miles southeast of St. John, about 11 o'clock this morning.

Engine trouble caused the plane to crash and in the forced landing that

left at 7.15 p.m. for River du Loup, the first leg of the trans-Canada flight

Held Up By Storm.

handling of the recent inquiry into EXPLORER TO INVADE trict Trades and Labor Council by Ald. C. A. Risk, who was accorded the \$85,000. Of this sum the government will pay \$35.000, Belleville \$20,000, Privilege of addressing the gathering.

"The time is coming when we will tings county \$5,000. The other \$5,000 have to have public ownership of the milk supply." the speaker declared will be raised by the boards of trade of Belleville and Prince Edward county by public subscription.

The maintenance charges will be make public whereby duplication of milk routes that the property of the speaker declared, advocating for the present a more economical system of distribution, whereby duplication of milk routes would be eliminated and overhead charges thus reduced.

Raised Price Scale.

The speaker, in support of his contention that milk prices could be reduced by concerted action upon the part of citizens, cited the policy which the Canadian Milk Products Company had adopted. This company had arbiwhile holidaying in Campbell River.

MACSWINEY'S CONDITION
UNCHANGED.

London, Oct. 7.—A despatch to The
London Times from Rotterdam says the
postmen of Amsterdam struck Thursday
and that virtually no letters or telegrams
were delivered. The strike resulted from
a refusal of the government to receive representatives of the men and discuss their
givenness. Efforts to induce the postmen
in Rotterdam and The Hague to join the
strike movement up to the present have
been unavailing.

had adopted. This company had arbitrarily enforced its price scale of \$2.06
for an eight gallon can, in contrast to
the \$3.25 paid in Toronto, and was
still securing its full requirements.

Ald. Risk recalled the mammer in
which the recent increase had been
secured, stating that it had been a
mutual conspiracy between the milk
producers and distributors, increasing
profits mutually, and declaring that profits mutually, and declaring that labor had been unfairly treated when not accorded representation upon the commission for inquiry into the fustification of the increases. It had been composed exclusively, he stated, of members of the Farmers' government and other sympathizers of agricultural interests.

board of education meeting last night. The upshot of a lively debate was that, by a vote of 9 to 6. R. W. Nich-olson, assistant principal of Essex street school, was appointed.

Secretary McDonald, of the G.W.V. A., appealed to the board to do justice to a returned soldier by appointing Mr. Nicholson.

Ouite a fight was made by Trustee to a

composed exclusively, he stated, of members of the Farmers' government and other sympathizers of agricultural interests.

One member frankly stated that he hoped to be able to boost the price of milk," Dr. Risk declared.

Following Ald. Risk's address, the concultmence with his suggestion that a labor committee be appointed to work for lower milk prices in co-operation with commity tees representative of other classes of the citizens. The following were appointed to the committee: James with the suffices in co-operation with commity tees representative of other classes of the citizens. CANNOT GET ASSASSINS SO POLICE RESORTING TO DRUMHEAD JUSTICE

Dublin Castle Finds Motive for Reprisals-No One Can Be Got to Testify Against Murderers — Authorities Publish List of Offences so Far This Year.

Dublin, Oct. 7.—Dublin Castle this afternoon gave out a list of outstanding "offenses" from January 1 to the week ending October 2. It was accompanied by the statement that it the number of perpetrators apprenended could be counted on the fingers of one hand

"In this fact," the statement adds, might be found the motive for reprisals. The authorities cannot get prisals. The authorities cannot get the men responsible, or, if they do, they get off thru hunger striking or clemency of the government. No one can be found to testify against them, either thru intimidation or because of political sentiment. Therefore, many of the police feel that drumhead jus-tice is the only way to deal with them."

Responding to an invitation sent out by W. C. Brent, president of the Municipal Voters' Deague, a number of representative men and women met at the King Edward last night, the purpose being to awaken interest with a view to increasing membership in the league.

The president explaints

done with a view to giving publicity on things of general interest to citizens.

Mrs A. M. Huestis, the vice-president of the association, spoke on the (Continued on Page 5, Column 2).

CIVICOWNERSHIP

The Bulletin adds that in addition two civilians were murdered as a reprisal and the town of Trim was burned. It asserts that the obeject of attacks on barracks was to secure arms for Ireland to defend herself.

"It is obvious the English military government is determined to break by force of arms the national demand for independence."

The Bulletin adds that in addition two civilians were murdered as a reprisal and the town of Trim was burned. It asserts that the obeject of the convention on the 14th inst. At provincial headquarters of the Liberal party no names would be given. It was said, however, that neither Fred Hogg nor A. J. Young, both of whom had been mentioned in these attacks were eight killed and any intention of seeking the nom-

pendence."

The Bulletin says the police casualties in these attacks were eight killed and \$3 wounded, and that the attacking parties lost seven men killed and 47 wounded.

The article then comments:

Dr. Cascaden, who is prominent in official Liberal circles, had noth-The article then comments:

"Each of the police casualties is described by the British propaganda as 'a cowardly outrage,' in spite of the fact that the police occupied strongly fortified positions and were armed with rifles, bombs and machine-gups, whereas the raiders fought without protection, armed mainly with shot-guns and revolvers, and in some cases grenades."

killed, three are missing and are be-lieved to have lost their lives, and more than a score injured this after-noon in an explosion which wrecked a forward compartment of the British tanker, G. R. Crowe, of Toronto, unlergoing repairs at a Brooklyn ship-

The blast, which endangered the lives of more than 200 workmen employed on the ship's deck, is believed to have been caused when gases from an empty oil tank were ignited by a blow

Several workmen were trapped in he hold of the vessel, while scores of thers were swept from the decks by the explosion. One man was thrown more than a hundred feet in the air, crashing to death thru the iron roof of a nearby machine shop.

Two of the dead were burned by

The majority of the wounded were burned and lacerated, but all are expected to live, it was stated at the hospitals. The blast, which thew one of the six tanks in the vessel thru the deck, also carried away much of the deck, also carried away much of the forward superstructure and blew a hole in the starboard side. Flames which started from the explosion were easily extinguished by the several free companies and a fire boat which were rushed to the scene, when it was fear-

were crushed and tangled.

All of the oil compartments were empty, the ship having discharged a Mexican crude oil cargo last week at Warner's Point. Then the tanks were steamed—a customary precautionary measure—and the vessel warped up to torches were in use on the dock, the first officer, F. Murphy, said. He did not know of any being used to burn thru the steel top of an oil compart-

Five thousand employes of the shipyard were ordered to suspend work immediately after the explosion, officials fearing a recurrence.

None of the crew were aboard the tanker, it was learned later.

During the war the Crowe was used
