Certain and Safe Remedy for Worms in Children and Adults.

Copland's Sweet Castor Oil.

EQUALLY SUITABLE FOR CHILDREN AND ADULTS

Endorsed by over 600 Doctors in Canada.

The difficulty of administering nauseous medicines, and the desirability of having them pleasant to the taste, induced T. Copland to undertake researches which resulted in the discovery of a sweet Castor Oil, perfectly palatable, of the same strength and medical qualities as the ordinary Castor Oil, and, while equally safe and harmless, yet acting with more certainty, and producing neither nausea nor griping. Some children say it is honey; others call it syrup—they all say they like it. One parent

He insisted it was only in fun, but his pious mother told him he must ask Divine pardon. So the little boy knelt down and said: "Oh, Lord forgive me. I wouldn't have done it, only I thought you could take a joke."
