"Look, Sonny — That's where COWAN'S is made"

COWAN'S

Here is a factory where none but high-quality goods are produced. Here are men trained in the skillful blending and scientific preparation of Cocoa and Chocolate. Not a bag of inferior Cocoa Beans enters the doors. Only the most modern chocolate-making machinery is used. Nowhere, not even in the older European countries where cocoa has been used for centuries, will a more efficient plant be found. Everything is modern, everything is calculated to make the very finest grade of chocolate that can be produced —and everything is clean, spotlessly clean.
