can milk, 57 1/2 cents.

Net cost of producing 1 quart milk
about 7 1/4 cents.

THE GROWING GIRL

A girl when in her teens is passing
through a critical period of her life.
The transition from childhood to ma-
turity is not always easy; consequently,
in many cases health breaks down en-
tirely and the girl goes into a decline
and dies young. If she escapes this fate,
she may fall into a state of permanent
ill-health. It is of the utmost impor-
tance, in order to insure normal and
healthy development, that proper pre-
cautions be taken, and nothing has
proved more helpful than the faithful
use of Lydia E. Pinkham's Vegetable
Compound, the great woman's medicine
and tonic.

NOTICE!
I will not be responsible for any debts
or bills incurred by my wife, Eleanor
Christophers.

Signed,
JOHN M. CHRISTOPHERS.
9-26.
