BRITISH WOUNDED SAILORS'
FUND
Throughout Canada an appeal has been made during the last week for funds to assist wounded sailors and their families, but no active campaign has yet been made in St. John for reasons already given out, but several subscriptions have been sent in, among which is one of \$1,000 by James F. Robertson, and it is understood the Loyalist Chaptor, I.O.D.E., will send in a large subscription for the sailors. The president of The Naw League will be glad to receive any amounts and forward them.

One of the food stations is at the Alexander McKay school. Among those presenting themselves there yesterday for relief was a little boy, only son of a widowed mother. He had a basket with him and said that his mother had sent him to secure some fish, potatoes and bread. Why, then, consent to rest under this cloud of embarrassment?

There is an effectual remedy for all these defects.

It is Burdock Blood Bitters. This remedy will drive out all the impurities from the blood and leave the complexion healthy and clear.
