Johnson Puts Up Fogfight

Havana, Feb. 26—Jack Johnson put up a fogfight last night with the Havana Stadium management to meet Willard in the stadium here in the last week of March.

New York, Feb. 26—The chilled beef ship Highland Harris, which brought Jack Johnson from the River Plate to Barbadoes, docked at Brooklyn today.

"Johnson came aboard," said the steward, "at Montevideo on Jan. 20. Johnson sent all his automobiles from Buenos Ayres back to Europe. For three weeks he had been boxing in Montevideo, Uruguay; in Bahia, Brazil, and in Buenos Ayres, Argentina, with Hagney. His fighting partner is 6 feet 2 inches in his socks.

"Johnson did no training or sparring on board the Highland Harris. He said he was afraid of the ship rolling. For two hours every afternoon the trainer and attendant worked hard massaging him. Johnson drank nothing but water, allowed himself only one cigar a day, read, and from 8 until 6 p. m. played deck games, principally shuffle-board.

"He was out every morning at 5 o'clock. For breakfast he had eggs, chops, or steak and water; for luncheon, soup, cold meat and pastry; for tea he had pastry and tea, and for dinner, soup, fish and meat and nuts. He ate coffee entirely, but after dinner ate nuts all the time.

"I think Johnson is going to lose his fight with Jess Willard for lack of training.

Was Troubled With Choking Spells and Shortness of Breath.

When the heart becomes affected, there comes a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, and dizziness and a weak, sinking, all-gone feeling of oppression and anxiety.

Many men and women drag along with weary step, and become worn out and haggard, when otherwise they could be strong and healthy if they would only pay some attention to the first signs of heart or nerve trouble.

On the first sign of the heart becoming weakened or the nerves unstrung Milburn's Heart and Nerve Pills should be given a fair trial and you will find that they will soon correct both these organs.

Mr. James Leard, Tryon, P.E.I., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I had choking spells, and was troubled with weakness of the heart and shortness of breath. I tried three doctors but they all failed. A neighbor recommended me to try your pills, so I got a box and they helped me so much I have taken six boxes. I highly recommend them to all who are troubled with their heart and nerves. I was not able to do any work for over two years, now I can do quite a bit."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Curley Off to Havana.

El Paso, Texas, Feb. 26—Jack Curley, promoter of the Johnson-Willard fight, left Thursday for Havana, and was told that Tom Flanagan, Jack Johnson's former trainer, had given out a telegram in which it was stated the fight would be held in Cuba.

"I am going to Havana to see what the matter—that is all. There is nothing definite yet. It is true, it has been suggested holding the fight in Havana, but nothing has been settled so far as I am concerned."

BASEBALL

Who Owns Walter Johnson?

Chicago, Feb. 26—Walter Johnson, star pitcher of the American league, who jumped to the Chicago Federals from the Washington Americans last fall and then returned to Washington, has been notified to report for spring training at Shreveport, La., on March 5, so Manager Tinker of the Chicago Federal club announces.

Tinker said he advised Johnson not to report to Washington in the event that he had decided to join the Federals until after U. S. District Judge Landis announces his decision in the Federal League anti-trust suit.

"This decision may determine Johnson's case," Tinker said, "and I understand he has decided to go wherever Judge Landis declares he belongs."

RED UNSIGHTLY PIMPLES ON FACE

Itching and Burning, Scratching Irritated, Disfigured for a Time. Used Cuticura Soap and Ointment. Pimples Disappeared.

1756 Wimpier St., Regina, Sask.—"I was troubled with itching pimples on my face for over three years. They were red and unsightly. They caused itching and burning and I used to scratch and irritate them. The breaking out disfigured me for a time."

"I tried many well-advertised treatments, such as—Prescription, etc., but without success. A short time ago I saw the advertisement of Cuticura Soap and Ointment in a local paper and after I had tried a free sample I could see a remarkable improvement. I washed my face with the Soap and then applied the Ointment two or three times a day. After using more Cuticura Soap and two boxes of Cuticura Ointment all the pimples completely disappeared." CHESS

New Record

Portland, Or., Feb. 26—Frank J. Marshall of New York on Friday established a new chess record by losing only four games of ninety-two which he played simultaneously with as many contestants. Ten games ended in a draw. The contest lasted six hours and forty-five minutes.

The Late Daniel Smith.

In reporting the death of Daniel Smith, the Glace Bay Gazette says he was the best known sporting man in Cape Breton. "It was he who first brought American fighters to Cape Breton, among them Young Donahue, Kid Godman, Tommy Furry and Kid Sheehan. He always followed the boxing game, and as a referee of bouts was in a class by himself.

"Next to boxing he took perhaps as much interest in baseball, and for many years was official umpire of the Cape Breton League. He was also very fond of horse-racing, and owned several fast horses, the last of which was Oak Hall."

"He had few if any enemies, and his friends were numerous. Daniel had a way of making and keeping friends, and his death at the early age of forty-four years will be regretted by all who had the pleasure of his acquaintance.

"Mr. Smith contracted pneumonia soon after the New Year's fight here. He leaves a sorrowing wife and five children, one of whom, Billy, is now a member of the second contingent at Halifax."

This is one told on a certain pugilist, who is far better acquainted with the big names of fist chronology than with those in the school history books.

Having reached England in the course of his pugilistic travels, he was patronized by a nobleman with sporting tastes. A week-end visit to the country estate was in order.
