RESIGNS AS HYDRO COMMISSIONER

Lieut. Col. R. A. McAvity Retires—Now Two Vacancies.

One of the matters which the City Council will have before it this afternoon will be consideration of the resignation of Lieut.-Col. R. A. McAvity as a member of the Civic Power Commission.

Colonel McAvity said to a reporter for The Times-Star that he was offering his resignation simply because his private business demanded his time and he was not able to give the time and attention to the affairs of the Civic Commission which its importance warranted. He has been chairman of the commission since it was organized. He expressed himself as much pleased with the report of Price, Waterhouse & Co.

The council will have two vacancies on the commission to fill, that of Colonel McAvity and Herbert Phillips, who resigned some months ago, but whose place was never filled by the council.

LOCAL NEWS

NOT UP TO LAST YEAR.

As tomorrow is the last day on which water rates can be paid and the five per cent. discount obtained, quite a number have paid, but there has not been any rush. The amount received up to last night was slightly less than for the same period last year.

VISIT HAMPTON.

Twenty-five members of the St. John Women's Institute left this afternoon for Hampton, where they are to be the guests of the members of the Hampton Institute. Mrs. T. N. Vincent, president of the local organization; Mrs. R. J. Hooper, the treasurer; and Mrs. J. W. V. Lawlor, the secretary, were among those who left.

TRAFFIC CASE.

T. C. McGray pleaded guilty in the police court this morning in refusing to stop his automobile when signalled to do so by Police Constable Garter at the corner of Charlotte and King streets on Sept. 13 and was fined \$10. The defendant was informed that he was on duty to protect the lives of pedestrians.

NO CASE.

A case against Fred W. Kelly, reported for obstructing the sidewalk on Linnet street, was taken up before Stipendiary Magistrate Henneberry this morning. The report was in connection with having a sign protruding over the sidewalk. The defendant proved to the satisfaction of the court that he was within his rights and the case was dismissed.

FOR BRIDE TO BE.

Miss Margaret Daley, 27 Metcalf street, was the hostess last evening at a linen shower held in honor of Miss Nellie Riley. The evening was spent in cards and dancing and dainty refreshments were served. The rooms were decorated in yellow and white and the gifts were handed to the guest of honor in a basket trimmed with the same colors.

PORTLANDS VS. HILLSBORO.

Backers of the Portland, champions of the City Amateur League, who are in the second of a series of three games for the provincial title, are anxious to have the team notify T. P. Garred, Main street. If the Portland win the game they will win the title as they already have a win to their credit.

THANKS FIREMEN.

Chief Blake has received from Dr. H. A. Paris, a check for \$100 in appreciation of the prompt manner in which the city fire department responded to an appeal for help when the laundry was on fire at that institution a short time ago. As it turned out, their services were not needed, but they were on hand in short order if the fire had been serious.

HELPED THE LITTLE ONES.

Two of the good friends of the Children's Aid Society, Mabel Williams and Edith Henderson, held a bazaar at Miss Henderson's home, 11 Orange street, at which the snug little sum of \$6.25 was realized. This money has been handed to the treasurer of the society and the board of management wishes its little friends to know how much their kindness is appreciated.

WHERE THE HOUSES COLLAPSED.

A crew of men are at work tearing down the three-story wooden dwelling house, owned by W. E. Emerson, in Harrison street, which collapsed a few days ago. The ell has been removed and the main section of the house is now being dismantled. No work has been done as yet on the Buckley house, which was bowled over when the house adjoining collapsed.

LUNCH CART ROBBED.

A lunch cart, owned by George Buckley and situated in North Market street, was broken into some time last night, and knives, forks and spoons were stolen. The thief or thieves also created considerable havoc by throwing food handed to the treasurer of the department and is now being investigated.

PLEASANT SURPRISE.

Last evening, through the kindness of Sidney Gibbs, a happy company, consisting of Mr. and Mrs. Babar, Miss Ella McCarthy, Miss Mabel Gosses, Miss Vera Coles and Miss Grace Lawlor, all of this city, motored out to Rotherley to the residence of Mr. R. Weatherhead on her birthday anniversary. Suitable presents were given, lunch was served, interspersed with music, and they all voted it a happy evening.

TAKES 10,000 BAGS POTATOES

S. S. Certo Opens Season—Cuban Merchants Leave for Home.

The 1924-25 potato trade between this port and Havana, Cuba, was ushered in last evening with the sailing of the steamer Certo with 10,000 bags of potatoes. The season will run now until about the end of next June, and if the optimistic references of potato growers of the province are correct, this year's trade should set a record.

The three Cuban merchants, J. A. Palacios, Arthur Armand and Frank Suris, who contracted yesterday with Guy G. Porter, of G. G. Porter & Co., Ltd., Perth, left last evening on their return, and Henry A. Danvers, secretary-treasurer of the J. C. Manzer & Co., Ltd., expects to leave this week. Mr. Danvers said today the potato trade was of considerable importance to St. John in view of the work it provided through shipments here.

Conditions in Cuba at present, Mr. Danvers says, are prosperous. The presidential elections soon will be over and the country then looks forward to a big tourist trade, which lasts from December to March. The soil of Cuba, he said, was unexcelled for sugar cane growing, and despite the many uprisings and disturbances, the country was forging ahead. The population today was about 5,000,000. Havana had nearly a half a million population, and was one of the finest cities in the world, with beautiful homes and streets.

MANY BLIND WHO COULD BE HELPED

Striking Presentation of Situation Made in Ludlow Street Church.

A meeting of special interest to St. John, and particularly the West Side, was held in the Ludlow street Baptist church last evening. Ariel Watson, daughter of Mr. and Mrs. Errol Watson of Water street, sang and recited during the service. "This little lot has been a pupil of the School for the Blind, in Halifax, for a year. Her parents say that her development has been wonderful and the rendering of her number reflected much credit to the institution. Mr. Down, representing the institution made an earnest appeal for financial assistance. He said there were quite a number of blind men in the maritime province who were pleading for an opportunity to be taken into the broom factory at Halifax and be trained to become self-supporting, but owing to lack of funds they were sitting on one side in the agony of blind idleness, and were people of the highest intelligence. He said that those handicapped in life at least be given an opportunity. He asked whether a little one like Ariel down—there are between 85 and 40 in New Brunswick, and about 12 in and around St. John. He said that for some such institution as the school for blind, Mr. Down was listened to with a great deal of interest and from such came expressions as to the necessity of supporting such work.

STATION AGENT AT NORTON DIES

James W. Gallagher Passes Away at Age of 62.

The death of James W. Gallagher, station agent at Norton, N. B., occurred last evening at his home after a short illness. He was a son of the late Michael and Mary Gallagher of Passapatanz, Kings county, and was 62 years of age.

Mr. Gallagher was well known and held in the highest esteem by all. He had filled the office of station agent at Norton for the last 24 years. His death has cast a sad gloom over the entire community. He is survived by his wife, two daughters, Miss Annie and Mrs. W. F. Taylor, both of Norton. WOMAN WILL LEAD EAST ST. JOHN CUBS

It was announced this morning by the St. John District Council of the Boy Scouts Association that Mrs. Robert Kirkpatrick had agreed to underwrite the duties of cubmaster for W&B Cub Pack No. 15. Mrs. Kirkpatrick, who felt that the pack is to be congratulated on her appointment. It is hoped by the council that the example of Mrs. Kirkpatrick may be followed by other ladies as they have found women make the best cubmasters and many more packs could be organized if the leaders were available.

As Hiram Sees It

"Hiram," said the Times reporter to Mr. Hiram Hornbeam, "there is still hope for New Brunswick."

"I never knowed it was in any danger," said Hiram—"an' I've seen livin' here a long time."

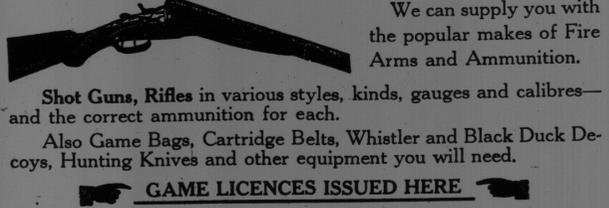

"What I mean," said the reporter, "is that by comparison we are jogging along very well. I was down in St. Stephen the other day and I took a ride in a street car. I went up through Milltown, N. B., and crossed over and went down through Milltown, Maine. I found fewer vacant houses, more fresh paint, better roads, more carefully kept gardens and grounds, and a generally more prosperous appearance of things in Milltown, N. B., than in Milltown, Maine—and only the St. Croix river separates them. Seeing Hiram, I'm believing."

"Well, sir," said Hiram, "I'm glad you told me that. I just want to tell it to an old crowd out to The Settlement that's always hollerin' about this 'country goin'' to the dogs. I ain't stuck up fer New Brunswick an' I always will—By Hen!"
