An Accurate Test
Our subjective and objective tests determine absolutely whether wearing glasses will be beneficial to you or not.
Unless you need is clearly established by this double check method you will not be advised to wear them.
Our advice is always in our customer's favor.
K. W. EPSTEIN & CO.
Optometrists and Opticians
4 King Square
Seven-tenths of the crooks brought into New York City courts are natives of other cities, claims Judge Mancuso. He's defending his fair city against what he calls the charge of being "the worst city in the universe." The other cities can come back at him with similar statistics. Their arrests include a lot of native New Yorkers.
Six of a kind, half a dozen of another.
