

A NEW DIGNITY FOR JAPANESE WOMANHOOD

The slavery of the picturesque Geisha Girls, which has existed as long as the history of Japan, has been abolished by a court decision. The Geishas were girls sold in early childhood by parents who could not afford their support, and were trained as entertainers.

MAY PRESENT THE EVIDENCE ON MONDAY

Prosecution in Case of Slaying of Minister and Woman Had Planned it for Thursday of This Week.

(Canadian Press) New Brunswick, N. J., Nov. 14.—It was planned yesterday that evidence on which indictments are to be sought against a woman and two men for the slaying of Rev. Edward W. Hall and his choir leader, Mrs. Eleanor Mills, would be presented to the Somerset County grand jury on Thursday morning. This was changed later. County Detective George Totten announced that the authorities possessed evidence tending to discredit the statements of an affidavit filed with Mr. Mott by Mrs. Nellie Lo Russell, a nee-gress, who lives in a shanty a short distance from the pig farm of Mrs. Jane Gibson. In her affidavit, Mrs. Russell swore that she had been talking to Mrs. Gibson on the night of September 14, at which time Mrs. Gibson claims to have witnessed the slaying of Mr. Hall and Mrs. Mills. Last spring, according to Totten, a complaint was made to Prosecutor Beckman of the sanitary conditions of Mrs. Russell's farm. The woman was declared to have neglected her stock and was called to Mr. Beckman's of-

rice. Mrs. Russell, according to Totten, has credited Mrs. Gibson with having made the complaint against her, saying that relations between the two women had been strained ever since. Mrs. Hall yesterday addressed letters to Mr. Mott and Foreman Gibbs of the grand jury, declaring her innocence of any participation in the double slaying, and asking that she be permitted to tell her story before the investigating body. The letters said she was willing to sign a waiver of immunity before she testified.

Somerville, N. J., Nov. 14.—The presentation of evidence in the Hall-Mills murder mystery to the Somerset County grand jury probably will be next Monday.

GOES DOWN ON FIRST TRIP FOR NEW OWNERS

S. S. Nordland is Sunk in Lake Michigan With Half Million Dollar Cargo.

Milwaukee, Wis., Nov. 14.—After being buffeted by a heavy storm for two hours and springing four large leaks in her hull, the Nordland, carrying merchandise valued at more than \$500,000, sank eight miles off St. Francis, near here, in Lake Michigan, yesterday afternoon. The officers and crew, nineteen in number, took to the small boats and rowed safely to shore. The Nordland was of wooden construction, of 700 tons capacity and thirty-three years old. It was her first voyage under her present ownership.

High radium minerals are said to exist in copper. The United States nickel is 75 per cent copper.
