The intermediates and juniors of the East End Boys' Club formally closed the season with an enjoyable theatre party last night when they were the guests of Walter H. Golding at the Imperial theatre. After the show they sat to the home of the supervisor, Mr. Heffer, where they were treated to chocolate bank.

An alarm was rung in about 5 o'clock last evening for a fire in a tenement at the corner of Erin street and Marsh Road. The fire was confined to the room of John Ryan and little damage as done to the building. The fire apparently started from the explosion of one gasoline and Mr. Ryan was severely burned about the hands and face. He was taken to the General Public Hospital.

At the third parlor meeting of the W. C. T. U. held at the home of the county president, Mrs. George Colwell, Dorchester street, Mrs. David Hipwell presided. Letters from the provincial and dominion "Y" secretaries were read, after which a report was presented by Mrs. Mary Seymour. Papers were read by Mrs. Dickinson, Mrs. W. H. Humphrey, Mrs. Seymour, Mrs. Hipwell and Mrs. Hope Thomson. During the discussions the cigarette civil was denounced.

An automobile accident occurred yesterday afternoon at the corner of Queen Square and Sydney street, when a car driven by Mrs. J. E. Kraker crashed into a telephone pole. Mrs. Kraker was mired along the square and when attempting to turn into Sydney street a jack appeared in her path. She ran the sidewalk and the car stopped. When it was started, she was unable to make the turn and it crashed into the pole. Mrs. Kraker collapsed, but she was not seriously injured. The car was badly damaged.

A sacred concert was given in Cemetery church last night to help defray the cost of repairs to the organ. Miss Alice G. Hea was organist and the programme was delightful and varied. Those who took part were Miss Hea, Mrs. L. M. Carren, W. T. Layton, Miss Blenda Thompson, Mrs. G. Lockhart, Mrs. A. P. Crockett, Mrs. H. MacMichael and Messrs. Chas. McKee, and Lockhart. The cabins will be used for the accommodation of the representatives, and the holds and other portions of the vessel will be adapted for exhibition purposes.

BETTER THAN HARD COAL
Soft coal so free from ash that it does not make whistlers on stove covers or pipes and does not mat or cake when burning, is far better than Hard Coal for general household use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves. Such a coal is Broad Cove soft coal. The main thing is to insist on getting the genuine article. No other soft coal burns just like Broad Cove. You will know it by the above characteristics.

Spring Topcoats

We are showing smart Topcoats in attractive cloths, chiefly slip-on models. Several lines received lately at \$25, \$30 and \$35.

STUNG BY BEE, DIES IN HOUR
Apoplexy Following Shock Kills Jersey Farmer With Weak Heart.
Caldwell, N. J., April 29—Stung on the right temple by a honey bee Harry Collier, a farmer living four miles from here, died half an hour later. After returning from town, where several of his friends remarked that he seemed in perfect health, Mr. Collier began chopping wood. A few minutes later he hurried to the house, telling his wife that he had been stung by a bee.

Mrs. Collier discovered the stinger and extracted it. As her husband's pain seemed to increase she set out for the nearest house to telephone for a physician while his sister, Miss Matilda Collier, applied first aid.

The sick man's neck began to swell. He soon lapsed into unconsciousness and died before a physician arrived. Coroner Thomas J. Lewis said death was due to a stroke of apoplexy caused by the shock of the insect's sting and a weak heart.
