NOTHING RESERVED GET ABOARD! ROBINSON'S COAST-TO-COAST SPECIAL for the Great Run-Down of HIGH PRICES

A Train of Clothing Values That Will Again Startle the Canadian Clothing World

ONLY ONCE BEFORE has such a value-giving feast been duplicated. In the Spring of 1920 I cut my prices below cost in an effort to break the high price market.

NOW AGAIN, my mammoth manufacturing and sales organization are all steamed up for a smashing drive against high prices, and once more I will demonstrate my right to the title of Canada's Greatest Clothier.

Starting Friday, January 5th And Continuing for Twelve Days

TO-MORROW, 9 A.M. I shall open the throttle and speed full tilt ahead—crushing high prices by the gigantic wheels of my vast enterprise.—Nothing can impede the progress of Robinson's Coast to Coast Special—the fast flyer that will cut the ground from under all clothing competition and continue to gain for me the confidence of the public.

Robinson's Million Dollar Stock Disposal

1/3 OF MY STOCK SUITS & OVERCOATS Commencing tomorrow, I am going to test the buying power of the public by dividing my Entire Million Dollar Stock.

1/3 OF MY STOCK SUITS & OVERCOATS No matter what the former selling price was, every Garment in My Entire Stock Will Be Included in This Drive Against High Prices.

1/3 OF MY STOCK SUITS & OVERCOATS to sell at \$19.50, \$25 and \$31.50. The original price tags will be removed, leaving you absolutely free to take your pick.

1/3 OF MY STOCK SUITS & OVERCOATS You can't go wrong. Any garment you select is worth at least \$10 to \$20 more than the price you will pay. Plenty of suits with extra pants, if you so desire.

LIFE WAS MISERY!

"I was reading the other day about Neurasthenia, about the large number of people who were troubled with this disease. It is just what my wife had. She felt miserable all the time and was constantly depressed. She would waken in the morning and tell me that something dreadful was going to happen that day. Life was nothing short of misery for her. She was so depressed that I expected she would lose her mind and have to go to a sanitarium and I kept wondering how I would get the money to pay for her. She could not eat and had no appetite for food. She was irritable and cranky most of the time. If she was crossed in any way, she would immediately work herself up into a violent temper. This worried me because she had always had a kind and gentle disposition and nothing which was said or done seemed to irritate her. I spoke to our family doctor about her and he said that her trouble was imagination and that if she would try and forget about her depression and look on the bright side of life she would be all right. Of course I didn't dare tell her this because I knew she would get into one of her tempers. When she got over these fits of temper, she was always weak and ill and more depressed than ever. The doctor said a tonic might help her and gave me a prescription but this did not do her any good. She tried all kinds of other tonics with the same result. Carnol was recommended to me and I wish to state that it is the leader of all tonics. Since taking it, my wife has changed completely. Now she is always ready for her meals and work is no burden. It is a pleasure for me to recommend Carnol to anyone who is in need of a tonic or a body builder. Excuse me for writing this letter but I want you to accept my thanks for that wonderful tonic known as Carnol."—Mr. J. M. Toronto. Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 7-622
