Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill-of our times can devise for this everywhere prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as Eguptiva and Sent Hiseards, St. Anthony's First, Rose, or Farsipplas, Pinglins, Pustures, Blookenes, Blains and Boins, Tumons, Tetter and Salt Rheem, Scald Head, Ringwoom, Rheematers, Dropers, Deputing and Merchial Diseases, Dropers, Deputing Debutity, and, indeed, all Complaints arising from Vitate of Impuring of the blood.
