THE DREAM
WINS ON TIME
ALLOWANCE

Hamilton, Bermuda, June 11.—The motorboat Barbara II, the scratch boat, crossed the finishing line in 3 hrs. 25 min. 20 sec. this morning in the race from Philadelphia, which started on Saturday at 1:30 p. m. She had been first sighted at ten minutes after midnight. The skipper of the Barbara II, declared that he had encountered northern winds from the entire voyage from Philadelphia. He estimated that the boat had lost two hours owing to the course taken being too much to the east.

The Barbara II came into Hamilton at 7:15 this morning. She apparently had not suffered any damage during the race and there had been no casualties on board.

Up to 7:30 a. m. nothing had been heard of the Dream or the Tocsin, the first of which has an allowance of 1 hr. 44 min. 3 sec. and the second an allowance of 13 hrs. 6 min. 26 sec.

The elapsed time of the Barbara II, since her departure from Philadelphia, deducting 41 minutes for the difference of time between that city and Bermuda, is unofficially calculated at 85 hours, 14 minutes, 20 seconds.

Hamilton, Bermuda, June 11.—The Dream, owned by Charles L. Lane, of the Yacht Men's club, the smallest of the contestants in the motor boat race from Philadelphia to St. David's Head, Bermuda, crossed the finishing line at 55 minutes past four o'clock this afternoon.

The Dream has a time allowance of 16 hours, 44 minutes and 36 seconds over the scratch boat, Barbara II, which crossed the finishing line at 25 minutes and 20 seconds after 4 o'clock this morning, and according to the unofficial corrected time, is the winner of the race by 3 hours, 14 minutes and 50 seconds.

ASSOCIATION FOOTBALL.

The return match between the Atlantic Sugar Refinery and the Caledonians was played last Saturday on Barrack Green and resulted in a win for the A. S. R. by 3 to 1. The play was very fast throughout the whole game and the Caledonians led in the first half by one goal. The A. S. R. soon put matters to a climax by putting up three goals after about 20 minutes' play. The A. S. R. will meet the Caledonians next Saturday at 2:30 p. m. on Barrack Green. The A. S. R. are open to meet any club on any date. "Phone 'Scotty,' Elliott Hotel."

June 12.

1912—Jimmy Gardner was stricken with diphtheria in his dressing room an hour before he was to have met Eddie McGorty in the ring at Boston. Gardner, once one of the cleverest of boxers, has recently announced his intention of trying to come back. He is a native of Ireland, and in his ten years in the ring has knocked out Kid Griffo, Mike Menaul, Rufe Turner and others, and defeated Harry Lewis, Joe Walcott, Jimmy Clabby, Bill McKinnon, Terry Martin and Frank Klaus.

1915—Johnny Coulton knocked out Frankie Hayes in 4th round at New Haven.

Otto Knabe, the classy second baseman of the Philadelphia Nationals, will celebrate today this being his twenty-ninth birthday. Mr. Knabe, whose natal festival falls on the same day and date as that of his chief, Mr. "Red" Dooin, is a native of Carroll, Pa. His professional baseball career commenced some eight years ago in the Western League. A Colorado Springs uniform first draped Otto's five feet seven figure, but he soon left the millinery city for Pueblo, and finished the 1905 season with that city. One year in the Western served to attract attention from the scouts of the main circuit, and Otto was drafted by the Pittsburgh Pirates. He wasn't considered quite ready enough to join the big league, and in 1906 was turned over to the Toledo Mudhens. Later he was recalled by Pittsburgh, and was traded to Philadelphia for "Cammy" Smith. This is his seventh season with the Quakers, and the fans are coming to look upon him as a fixture.

SAVED BOY
AND LOST
THE RACE

A large crowd followed with interest the first race of the season held last evening under the auspices of the St. John Power Boat Club. The race, which was for the executive cup, was open to motor boats up to six horsepower. The boats went twice over the harbor course at Indiantown under time allowance and according to the usual conditions. Four boats entered for the race, Komfort, owned by Harry Kelown, Glenelg, owned by Luther Jordan; Christena, Frederick Howes, and Oulta, Fred Roberts.

The start was made at 7:30 o'clock and the boats crossed the line in the following order: Glenelg, Oulta, Komfort, Christena. The contest was very keen, the difference between the Oulta and Glenelg being only twenty seconds. The boats finished in the following order: 1st, Oulta; 2nd, Glenelg; 3rd, Christena. The Komfort did not finish the race. While the tide was low a small boy enthusiast went out on the rocks at Barhill's Point to watch the race. In the meantime the tide came in. The boy's enthusiasm blinded him to the danger facing him and before he realized it he was marooned on the rock. Seeing his predicament those aboard the Komfort thought it advisable to go to his rescue, which they did and consequently did not figure in the finish. As the race was according to time allowance, and according to the usual conditions, the race was not decided.

The officers of the race were: Commodore Gerow, Cecil McLean and Mayes Davis, Judges, who were on board the Happy Days; F. L. Corey and J. D. Brown acted as timers. On Wednesday evening next the race for the Money Cup will be held, the course being to Brandy Point and return. The race will be open to boats of 7 horsepower and under and they will go six times around the harbor course.

On the same night a match race will be pulled off between Vice-Commodore Robert Quinn and C. E. V. Cowan's boat "F. T. C." The vice-commodore is the challenger.

HISTORY
OF THE
POLO GAME

The interest in the championship matches this year is more keen than ever before. In the 27 years that have elapsed since the famous Hurlingham team won for England the cup offered by the Westchester Polo Club as a trophy for international play.

Never before, according to the experts, has it been as difficult to choose a winning combination, for notwithstanding the victories of the American quarter at Hurlingham, Eng., in 1909, and again at Meadowbrook two years ago, the British aggregation that has this year crossed the ocean to bring back the coveted trophy is rated as extremely formidable.

Match Will Cost \$10,000.

This year's series of two games has been described as the "million-dollar match," and there is little doubt that that sum will have been spent by the polo devotees of the two countries before the match is conducted. Both companies have been preparing for this week's match for two years. Harry Payne Whitney, captain of the victorious American defenders in 1911, declaring immediately after that series that the American players would then begin preparing for the defence of the cup. At the same time, Capt. Hardress Lloyd of the British team stated that the Englishmen would at once begin the work of organizing with a view to challenging again.

The Polo Association, which will hold the great international match, it is figured will have spent \$200,000 for such an ordeal and for wages of fabled and stablemen. About \$300,000 has been spent by polo clubs in preparing for the match.

Experts have figured that the ponies contribute 60 per cent of the worth of any team, and the players the remaining 40 per cent.

The challengers from the Hurlingham Club are equipped with 27 of the best ponies in the world, and are expected over a polo field. The string is said to be valued at \$100,000, more than \$3000 for each pony, on an average. Although the players are the choice of more than 100 animals that were originally placed at the disposal of the Hurlingham players.

Although the Meadowbrook players will not rule great favorites in the eyes of the Englishmen in horseflesh, the finest ponies in England, Ireland, Egypt and India have been corralled for the Hurlingham players.

Philip Fitzpatrick, who has been in charge of the mounting of the American players, has thoroughly arranged the match. The players were sent East from California and Texas for the use of the American international team.

The history of polo in the United States dates from 1876, when the first batch of polo ponies was sent to New York from England. The Westchester Polo Club is the pioneer organization of its kind in America, and after removing to Newport in 1883, it has since been the first great polo match here at Newport in 1886.

The Englishmen won in two matches notwithstanding the fact that the cup was played under American rules and the cup offered by the Westchester Club went to England, where it remained until 1909.

America's first challenge for the cup was in 1900, but the attempt was a forlorn one. England winning the only match, 8 goals to 2. In 1901, however, a second challenge was sent by the United States team, and the match was played in May, 1902. The deciding match was won by the Englishmen, 7 goals to 1.

In 1909, 23 years after the Newport match, the Meadowbrook team, challenged by the sanction of the Polo Association, brought back the cup, winning the match, 9 goals to 8 and 8 to 2.

Two years ago a representative Hurlingham team invaded America, but returned empty handed.

LOWELL PLAYER WEDS.

Dartmouth, Vt., June 11.—Miss Margaret Cecilia Riley, daughter of Mr. and Mrs. James E. Riley, was married this morning to John D. Halstein of Lowell, former star first baseman for the University of Vermont and now playing on the Lowell team.

RITCHIE TO MEET RIVERS.

San Francisco, June 11.—Willie Ritchie, lightweight champion pugilist and Joe Rivers of Los Angeles, formally signed articles today for a 20-round championship contest in this city on the afternoon of July 4.

The men agreed to weigh 134 pounds (regulate). The forfeit for not making the weight was fixed at \$25,000.

LONDON STUNNED.

London, June 11.—London was too stunned at the result of the international polo match for comment. The American residents and visitors celebrated the victory by informal gatherings at the hotels last night.

The London newspaper experts, without exception, had predicted a victory by the British team and were left without the excuse of "poor mounts," which served last time.

PITCHER
"MATTY"
OF GIANTS

Although pitching his thirteenth season in the National League, Christy Mathewson is still the mainstay of the New York Giants' pitching staff. He has started the present season as if he had discovered the "Fountain of Youth."

Not for the last three seasons has "Matty" gotten away to as auspicious a start as he has this year. The games which he has lost have, for the most part, been lost for him, either through the inability of his team mates to hit opposing pitchers in the pinches or because they have failed to play good defensive ball behind him.

"SOME BASEBALL BUG."

Los Angeles, Calif., June 11.—William H. Calder, 17 years old, who describes himself as "some baseball bug," and is under arrest here, confessed last night according to the police, that his love for baseball caused him to force checks in New York to the extent of nearly \$1,000. The victims were his employers, members of a prominent New York law firm.

It was the greatest day of my life," he declared. Then he attended several games in Detroit. Heading westward, he witnessed several Western League games in Denver and came to Los Angeles where, he said, he attended every game since his arrival.

Young Calder will be taken to New York for trial. He said his father is John H. Calder, a women's suit manufacturer.

PRINCE TOO ILL TO ATTEND.

Quebec, June 11.—The garden party at Anse-au-Loup, the Lieutenant Governor's residence, Tuesday afternoon, was attended by the most prominent people in Quebec, as the Prince of Wales, who was expected to attend, was too ill to do so.

Leave here on Thursday, Captain Smith this morning said H.R.I. Prince Albert had indisposition yesterday.

New Way to Banish
All Hairy Growths

(Modes of Today.)

Many people will be interested in the new and simple treatment by which hairy growths can be permanently removed from the face, neck or arms. This consists in making a paste with plain powdered talc and water and applying to hairy surface. After two or three minutes it is rubbed off, the skin washed and every trace of hair has vanished. This is a painless, harmless method and seldom requires the second application to remove even a stubborn growth, and it is so simple to use that failure cannot occur.

Straggly eyebrows can be made to grow thick and beautifully lustrous by rubbing proxiton on frequently, and to make short, straight eyelashes curl in long and silky, apply proxiton to lash-roots with thumb and forefinger. Use care and do not use any proxiton when no hair is wanted.

CLIFTON NEWS

Clifton, June 10.—The many friends of George Breen were shocked to hear of his sudden death on Wednesday morning.

The deceased, who was in the 78th year of his age, was in his usual health up to the last two or three days, when he contracted a cold, and grew worse, until the end came at an early hour Wednesday morning.

The late Mr. Breen is survived by three children, Mrs. J. P. McBay of St. John, Mrs. F. Holder, also of St. John, and one son, Alfred G. Breen, with whom he lived, also two brothers, John Breen of Long Island, Cunningham Breen of Long Beach, and one sister, Mrs. Henry Redmore, of Whitehead, and eleven grandchildren, beside a number of nieces and nephews and a wide circle of friends.

A large concourse of people attended the funeral, which was held from his son's residence on Friday afternoon. The remains were borne to the grave by the six nephews of the deceased.

Rev. C. G. Laurence officiated at the funeral service. The monthly meeting of the Women's Institute, which was held at Mrs. N. V. Puddington's was held at Mrs. Gilbert Wetmore's on account of the illness of Mrs. Puddington. The Deacons meeting of the Women's Auxiliary will meet at Mrs. D. P. Wetmore's on Thursday afternoon at 2:30 o'clock.

GRAND VIZIER MURDERED.

Constantinople, June 11.—The Turkish Grand Vizier, Mahmud Schefket Pasha, was assassinated today by two armed men with revolvers, who attacked him while he was proceeding in his motor car to the Sublime Porte at noon. It is believed in government circles here that the assassination of the Grand Vizier was the outcome of a plot against the Committee of Union and Progress.

GIRL OF EIGHT KIDNAPPED.

Arthur, Ont., June 11.—Posses were out early this morning scouring the country in search of Margaret Boulton, aged eight, of this village, who was kidnapped here yesterday by some persons unknown. The little girl was seen by a large sum of money and when nearing it was stopped by a man and lifted screaming into a waiting buggy. The man then quickly disappeared and escaped. An abduct search, conducted by relatives of the child, has been in vain. The girl recently fell ill and was taken to hospital. It is thought to be the motive for the deed.
