RESOLUTE OUT- SAILED ALL THROUGH

Sir Thomas Declares He Can Now Feel That His Hopes of Lifting Cup May After All be Realized.

Sandy Hook, N. J., July 20.—Sir Thomas Lipton tonight was near reaching the coveted ambition of his life—lifting the America's Cup.

Today his "Irish sweetheart," Shamrock IV, ran up a tally of two races to none against the defender, Resolute, winning in a neck to neck contest by two minutes and 26 seconds, corrected time, and heading but one more victory to bear the bottomless pewter mug to England.

There were cheers on Sir Thomas' steam yacht Victoria when Shamrock swept first across the line today, but there was a hush when her crew worked feverishly to free a jib tangle that fouled within the first few seconds of the contest.

Resolute made a brave showing at the beginning of the third leg, and picking up at the turn fought her way home under the guidance of Captain Charles Francis Adams 2d, disputing every second.

The yacht expect to race again tomorrow. Aboard steam yacht Victoria, July 20.—By Wireless to the Associated Press.—Sir Thomas Lipton declared at the end of today's race that he believed the showing of Shamrock IV had made justified him in the hope that he would lift the cup this time.
