National Hockey League Matches

Ottawa Senators Walloped St. Patricks Seven to Two—Canadiens Defeat Hamilton Three to Two.

Ottawa, Jan. 11.—Ottawa's world champions, jumped into first place tonight in the race for honors in the National Hockey League series by virtue of a seven to two victory over the St. Patricks of Toronto at the local arena tonight. The win was clean cut and on the play there was no doubt that the locals were a vastly superior team. More than seven thousand persons were on hand to cheer their favorites, but the locals led all the way and there were few occasions to rouse the enthusiasm of the audience. It was the third meeting of the great rivals and the first victory obtained by the champions over their tough opponents.

The Irishmen were not up to expectations. With the exception of a series of minutes in the second period for a little space in the final period the visitors presented a listlessness that was not in keeping with their past performance. It looked as if several of the team had gone stale. The Ottawa's on the contrary were at the top of their form and played consistently and at times brilliant hockey. Stuart was not at his best and after the first period, was little used. Gerard was the star of the Ottawa and Cy Donnelly was a close second. The latter's shooting and following back were features of the play. Bell made his first appearance with the locals and made a fair showing in the short time he was on the ice. Stackschneider of the Toronto was used in the final minutes of the play but did not show much.

The match was exceptionally clean, not a player being ruled off. Roach was the only man to take the count, being struck by the puck in the face. A lady enthusiast was struck in the face by a high shot and had to be taken from the rink.

Canadiens 3; Hamilton 2
Hamilton, Jan. 11.—Hamilton went into the cellar position in the N. H. L. race tonight by losing to the Canadiens 3 to 2 in a game that featured play by good hockey for most of the journey. Canadiens did not appear to be suffering a great deal from the loss of Lalonde, as the forward line they started out, checked the "Hams" to a standstill and their offensive work was a treat to watch, only the good work of Lockhart in the last two periods saving the Hamiltons from a worse defeat. Eddie Bonchard, who came here last winter to play with the Tigers and was refused an amateur card by the Amateur Union, played on the Canadiens' forward line tonight and his good work was largely responsible for the Canadian's victory.

B., in the second game of the New Brunswick and Prince Edward Island amateur hockey league series. The visitors being in better form and more accustomed to the local rink, put up a better fight than last night, the scores by periods being: 2-2; 4-3 and 2-3.

The play was fast and exciting throughout and the rink was crowded. As on last night the superior combination work of the Abegweits gave them the victory. Lowerson, Drillo and Lachance did the scoring for Dorchester.

French Champion Is The Favorite

Trainers Assert Carpenter Will Enter Ring Tonight Better Man Than When He Met Dempsey.

London, Jan. 11.—George Carpenter, the French champion, and George Cook, of Australia, who are to fight tomorrow, are in tip-top form, according to their respective camps. Carpenter is reported to be three pounds heavier than when he fought Dempsey and his trainers assert he will enter the ring a much better man than at that time. Cook's admirers have dubbed him "Little Dempsey" as a result of their confidence in his ability to win. Every seat in Albert Hall, where the fight will be staged, has been sold.

The Independent Hockey League

Moncton, Jan. 11.—Not until the last period was Amherst able to score in the Independent League fixture with New Glasgow here tonight, and the score stood 5 to 2 in favor of New Glasgow at the finish. New Glasgow scored two in the first period, two in the second and one in the third while Amherst was unable to score at all. The game was somewhat rough and Amherst in the first two periods especially showed lack of practice.

QUESTION WHETHER WOMEN PLAY FOOTBALL

London, Jan. 10.—A lively controversy is centering in the question as to whether or not women are to continue as active participants in football matches. Recently the football association put itself on record as against women's invasion of the football domain, and issued a request to its club to "refuse the use of their grounds" for women's football matches.

Although the association merely "requests" its members to refuse permit the use of their grounds for women's matches, it may safely be assumed that all the clubs under the jurisdiction of the association who have full control over the playing grounds, will close them against all women's football matches. This will bring about a return to pre-war conditions in the football world, a condition brought about by an edict from the association many years ago.

The report showed that \$54,000,000 in round numbers was bet in the Parimutuel machines at those tracks at the spring and fall meetings.

Chatham Won From Bathurst

Game at Chatham Last Night Was Rather One-Sided—Score Was 9 to 3.

Chatham, N. B., Jan. 11.—In a one sided game of hockey here tonight, Chatham defeated Bathurst by a score of 9 to 3—this being Chatham's first home game in the northern section of the N. B. and P. E. I. Hockey League. Bathurst played a very good game but did not seem to have the ability to carry the puck, while Chatham got away from their combination style of play and indulged in too much individualism. Indication point now to a play-off between Chatham and Campbell, in the northern section of the league.

The game was very clean, few penalties being handed out. The first period ended 2 to 1 in favor of Chatham, the second 5 to 2 and the third 2 to 1. Anthony Veno made a satisfactory referee.

Fredericton Team Makes Complaint

Says Deciding Goal Was Illegal—Players Were Injured—One Had Nose Broken.

Fredericton, Jan. 11.—The Fredericton Hockey Club claims that on Tuesday night Sussex scored the deciding goal at Sussex inside the foot circle which is illegal under C.A.H.A. Rules, which govern the league. Referee McLeod was informed of the fact but paid no attention and did not consult the goal judge. The league president has been informed of the facts. If a protest will be lodged it will be decided later. Colwell, Sears, Lonsbury and Williams of the Fredericton team all sustained injuries, a broken nose for Colwell being the most serious.

More Trouble In The Amateur Ranks

Action by A. W. Covey Against St. Francis Rebel Hockey Team is Awaited With Interest.

Sydney, N. S., Jan. 11.—Action by A. W. Covey, president of the Maritime Branch of the Amateur Athletic Union of Canada, against the rebel hockey team of St. Francis Xavier College, Antigonish, which defied his authority by playing the Glouce Bay team, whose members are without amateur cards, Tuesday night, is being awaited with interest. The match was staged to raise funds for the college rink building, and special efforts were made by prominent friends of the institution, and even by the clergy, to secure President Covey's sanction. The game had started when a telegram was received from President Covey refusing his sanction and it went on.

Commenting on the situation, D. L. Dolan, sporting editor of the Sydney Record, says the governing board of amateur sport in the Maritimes has never before been so openly defied by a college or other team, and adds that, if St. Francis Xavier is suspended, the result will be the disruption of the eastern section of the inter-collegiate league, and a rumour which may end in the early demise of the Maritime Branch of the A.A.U. of Canada.

Carpentier Fights Cook In London

Unless Georges Wins Inside of Six Rounds Tonight It Will Be Virtual Defeat for Frenchman.

Paris, Jan. 11.—The French press generally expresses regret that George Carpentier has agreed to meet Georges Cook, the Australian, in a boxing contest in London tomorrow evening. The newspapers are showing little interest in the fight beyond pointing out that it will be a possible means of ascertaining whether his beating last summer by Jack Dempsey has slowed up the Frenchman.

Carpentier is the favorite in the betting by five or six to one. There is practically no Cook money, except a few small bets, even money, that the Australian will last six rounds.
