Canadian Y.M.C.A. Swimming Campaign

Domestic-wide Competition Will be Conducted During May and June.

In forty Y.M.C.A. swimming pools throughout Canada during the months of May and June, a domestic-wide swimming campaign will be conducted. The intention is to endeavor to teach every boy to swim. Every Canadian boy a swimmer, and every swimmer a life-saver is the Y.M.C.A. slogan, and prodigious efforts will be made to teach the boys of St. John to swim during the week of May 18 to 28, inclusive.

A group of competent volunteer instructors have been secured, and the boys will be taught the land drill, where the initial strokes will be demonstrated. The campaign is strictly for boys outside of the membership, and enrolments are being taken at the Y.M.C.A. office now. A schedule of hours will be published in a day or two. The school boys will be taught every afternoon from four to five o'clock, and the business boys every evening from 7.30 to 8.30. Boys will be grouped into classes according to the number enrolled. Should there be a heavy enrolment, an additional week will be set aside so that every last boy will be looked after.

ST. JOHN Y. M. C. L. BOWLERS WON CANDLE PIN CHAMPIONSHIP

Captured Six Games and Lost One—G. W. V. A., St. John and Fredericton Tied for Second Place—Calais Takes Fourth Position—Twenty-Eight Games Were Played.

BLACK'S ALLEYS, ST. JOHN
ST. JOHN Y. M. C. A.
AMHERST

Fredericton, N. B., April 28.—The Y. M. C. L. team of St. John won the Maritime and Maine Bowling Tournament, and possession of the silver pin indicative of the candle pin championship for 1921.

The tournament closed this afternoon with four crucial games two of which were played by the Y. M. C. L. team and one by the Fredericton team, the previous title holders, and runners up for the championship. The Y. M. C. L. is first game was with Amherst, who they easily defeated by 50 pins, and the second was with Houton, which almost resulted in disaster for the new champions.

Fortunately for Y. M. C. L., the Amherst's potato belt did some of their worst bowling of the tournament and wound up with a score under the 1,300 mark, 1,287 to be exact. The Y. M. C. L. team's score was 1,309 which was disappointing but enough to win—so they should worry.

Fredericton, meanwhile, won their only game but only after tough opposition as St. John Y. M. C. A. bowled 1,345; however, the locals put on 1,368 having four strings in three games.

A victory for Houton over Y. M. C. L. should have precipitated a playoff between Fredericton and the St. John Y. M. C. L. and G. W. V. A. teams but that was not to be and there was no playoff.

The visiting bowlers were guests at a smoker at the A. O. H. Hall tonight when the prizes were presented to the winners by ex-Ald. W. E. Farrell, who presided at the gathering.

The Prize Winners
The winners of the prizes were:
Best individual average—Cecil Brewer, Fredericton, total score 1,953 for 21 strings, average 93.
2nd Best individual average—Sandy Staples, Fredericton, total score 1,937 for 21 strings, average 91.62.
3rd Best individual average—Jenkins, St. John Y. M. C. L., total 1,917 for 21 strings, average 91.29.

Best individual three strings—Fred- erson—Cecil Brewer, 290.
Best individual single string—Murray Kierstead, Fredericton, 120.
2nd Best individual single string—Sullivan, Black's Alley, 119.
Best individual average, visitors—Jenkins, Y. M. C. L.

North Shore Baseball League

Newcastle, Nelson, Campbellton and Bathurst Will be Represented With Teams.

Newcastle, April 28.—A meeting for the purpose of forming a North Shore Baseball League was held in Bathurst last evening. Delegates were present from Newcastle, Nelson, Campbellton and Bathurst. It was unanimously decided to organize a league and the meeting adjourned to meet here on Wednesday next to complete the organization.

National Athletic Contest Wednesday

Portland "Trail Rangers" Make Higher Average Than Last Year's Champions.

In the second of the series in the National Athletic contest, held at the Y. M. C. A. on Wednesday night, interest was very keen and some fine scoring was done. The boys of Portland Methodist church made a very fine showing, their final average being 360. (This is open to question at a later date).

The star performers of the evening were:
One potato race—Roy Smith, Central Baptist, 80 points; Russell Naves, Portland, 80 points.
Three potato race—Robert Sproule, St. Mary's, 80 points.
Running high jump—Fred Yomama, Portland, 88 points.
Standing broad jump—Robert Sproule, St. Mary's, 86 points.
Floor push—Jack Smith, St. Bartholomew's, 127 points.

The final averages are as follows:
Portland, 360; St. Mary's, 314; St. Bartholomew's, 289; Central, 215.
These scores, of course, will all be re-checked and revised, but the results should be practically the same. It is interesting to compare the score made by the Portland group last night with that of Rothesay, last year's provincial champions, whose average was 344. If the Portland boys had made a similar score last year, they would have been fourth in the dominion. It is expected that the high score made by Portland will stir up a great deal of excitement and hope in the contest still to be run out in which the Rothesay group have still to compete and which will start on Saturday at one o'clock.

Local Bowling

BOWLERS RETURN.
The G.W.V.A., Amherst and Y. M. C. A. bowling teams who competed in the Maine and New Brunswick tournament at Fredericton, arrived here last night and voted the tournament a most successfully conducted one, although the scores were not as high as was expected. It was a hard fight throughout, and considerable credit is due the G.W.V.A. for their good showing, as it was the only team of the eight without a spare man, and while it was their first attempt in the big game they expect to do even better than second place at the next meet.

TWO-MEN LEAGUE
In the two-men league on Black's alleys last night, Team No. 8 took four points from Team No. 6. Team No. 10 won three points from Team No. 11, and also took four points from Team No. 8. The scores follow:
Team No. 8
Oliver 85 91 300 361-3
Williams 83 103 306 62
158 181 188 628

GREEKS AND JEWS FIGHT
Constantinople, April 28.—Shooting occurred here today between Greeks and Jews in which several persons were injured. The Greeks, who accuse the Jews on the Golden Horn of being pro-Turkish, paraded about with the effigy of a Rabbi. They attacked a Jewish procession and in the clash a number on both sides were injured. The British police interfered and stopped the fighting.

STEAL BOGUS MONEY.
Warren, April 21.—Cumberland American bills, representing approximately \$5,000,000, have been confiscated in Lumburg by the Polish authorities who discovered a counterfeiting plant in full operation.

Demonstration of Gymnastic Work

Combined Classes of Y. M. C. I. Under Direction of Physical Instructor Stirling.

A grand review and demonstration of gymnastic work was given by the combined classes of the Y. M. C. I. in St. Vincent's Auditorium last evening. The work was under the direction of W. E. Stirling, the physical instructor and his assistant, L. T. Dow.

Not only did the entertainment prove of interest to those in attendance, but it also served to bring before the public the gymnastic work which the boys are taking advantage of the splendid opportunities afforded by the Y. M. C. I. and the nature of the work the leaders in the programme embrace.

The first number on the programme consisted of horizontal bar work by four Senior Leaders in which some very advanced and difficult work was gone through in a most attractive and finished style and received much well merited applause.

The next number, dumb-bell drill by the School Boys' class, was very well done and heartily applauded. Pysical Drill by the High School Boys followed, number of clever and difficult poses were demonstrated by the boys in a very finished manner and was well received.

The Wand Drill by the School Girls, a class of over forty, attractively garbed in neat white middie and dark blue gym suits, proved a popular number in which the girls demonstrated an aptness for the exercise they performed.

The parallel bar work by the Senior Leaders was a good exhibition of this class of work. The antics of two comedians who took part in it caused much laughter.

The Wand Drill by the Senior and High School classes followed. The drill was gone through with admirable smoothness.

L. T. Dow and P. Pemberton then gave an exhibition in tumbling, assisted by two juniors. The tumbling work was of a high order and the audience which was well packed, caused much merriment.

The next number consisted of tableaux by C. Lennox and R. Martin. Some very pretty effects were secured in the lighted club swinging by L. T. Dow.

The High School Girls followed with Indian Club swinging. They acquitted themselves remarkably well. The drill was most pleasing and heartily applauded.

An athletic lightness and poetry of motion was evident in the dancing of the Senior Girls which followed, and in which many different foot-dance steps were shown.

The High School Girls cym dancing followed, and the programme was brought to a close with marching by the High School Girls. The first number was fittingly one of the best of the evening. The marching was executed with a smoothness and a unity that was practically faultless.

During the entertainment music was furnished by a twelve piece orchestra conducted by Professor P. Waddington. The St. Benedict's Alumnae were in charge of the ushering and sold candy during the evening.

Mrs. H. J. Sheehan and Mrs. William Donahue were the conveners of the refreshment committee. The chaperones were Mrs. F. J. Power, H. J. Sheehan, F. L. McCafferty, J. J. McDonald, T. Murphy and W. Donahoe.

The High School Girls were in charge of Miss Genevieve Cronin and the School Girls in charge of Miss Eleanor Taylor. Miss Anna McGarrie acted as pianist for the special numbers.

The staff were: Senior Leaders—H. J. L. Nixon, L. T. Dow, C. Lennox, P. Pemberton, L. Pemberton, G. Pemberton, H. Peterson, H. Burns, N. Dobbsstein, N. Kennedy.

Pyramids—W. Williams, James Moloney, J. Stevens, Wm. Molonia, L. Gaynes, P. Donovan, E. Wall.

Tumbling—L. T. Dow and P. Pemberton.

Property Manager—T. Killen.

Stage Manager—T. K. Sweeney.

Tumbling—L. T. Dow and P. Pemberton.

During the performance instructor Stirling announced that the Y. M. C. I. bowling team had won the N. B. and Maine Bowling Championship at Fredericton. His announcement met with much applause.

Last evening's review is to be repeated this evening and a matinee will be given Saturday afternoon at 2.30.

Real Race To The Fishing Banks

Schr. Mayflower Will Race New Schooner La Duntou for First Bait.

Boston, April 28.—The schooner Mayflower, Boston's candidate for international fishing vessel race honors next fall, set out today on her maiden voyage, a salt fishing trip to the Magdalen Islands in the war of St. Lawrence. As she slipped out of port in a haze she was hailed by ships' bells, sirens and fog horns.

At her wheel was Captain J. Henry Larkin, her skipper, and beside him stood Charles Francis Adams, who sailed the Resolute to successful defence of the America's Cup in the international yacht races last year. Mr. Adams who is a member and director of the syndicate that built the Mayflower was to try the fishermen under his hand during the sun down.

The next number, dumb-bell drill by the School Boys' class, was very well done and heartily applauded. Pysical Drill by the High School Boys followed, number of clever and difficult poses were demonstrated by the boys in a very finished manner and was well received.

Fifteen Round Bout Called Off

New York, April 28.—The 15th round boxing match between Fred Fulton and George Galley, which had been arranged for a Jamaica, L. I., club tonight, was called off at the last minute. The club management announced that Galley had declined to enter the ring, but gave no reason.

the coast before stepping ashore at Gloucester. After picking up two additional men at that port to round out his crew of 25, Captain Larkin planned to point the Mayflower's nose for the fishing banks in a race with the new schooner La Duntou. The latter, a possible contender also for international honors, was primed for the brush of 600 miles to the Magdalen with Captain Felix Hogan and his crew laying more than one wager that they would be first to get bait and start the season's fishing.

The next number, dumb-bell drill by the School Boys' class, was very well done and heartily applauded. Pysical Drill by the High School Boys followed, number of clever and difficult poses were demonstrated by the boys in a very finished manner and was well received.
