In the second period Stratford got down to business and Carson scored after seventeen minutes. The final period saw both teams battling hard, with Stratford landing two goals, both secured by Carson.

Quinn, in the nets for Queens, played a sensational game, one which has seldom been excelled in the local rink. He stopped almost 100 shots, and was the star of the game. McKelvie was the best of the defence men, his rushing and blocking being superb. Nickle and Gibson were valuable. For Stratford Morenz and Carson were very effective, and Roth played a fine game.

"I am not opposed to racing by any means," he said, "but I am opposed to making this city the dumping ground for the worst racing element of Ontario and United States, whose sole interests in the sport is its gambling phase." Interest Focuses On Mile Race For Saturday Night's Dual Meet Cade, Thompson and Hammon d Will Give Yankee Cracks

1,760 Yards of Battle- Varsity-Western Cage

Since Baltimore has refused to run the four-mile relay race against the Western Ontario boys, the great interest of the dual meet here on Saturday night is the mile race between Stevens and Rollins, the Yankee cracks, and Cade, Thompson and Hammond, the Ontario Boys. Stevens has cleaned up on all the interscholastic material south of New York, and has beaten 4:40 for the mile. Cade is green material, but the race he ran in Baltimore stamps him as one of the coming milers in Canada, and the local fans are looking for him to give Stevens the biggest surprise of his life. Nunan of the local relay team is being saved for the quarter, as this is his best race, although his mile in Baltimore was one to be proud of. Mel Brock of the Western University Athlette Association, under whose auspices the meeting is being run, is endeavoring to get the best boys in this area who have made good race records in the past in the various events that have been added to the program, and
