All well known; all
down in price.

Any store can make this claim, but
do they do it?
Close comparison is the best test.
We court the closest comparison in
every department.
The easiest sales we make are to
those having made comparison.
Our "Record Sales" each month and

of prices being right, our merchandise
being satisfactory and our service be-
ing appreciated.

LOWERING OUR STOCK OF MERCHANDISE BEFORE CHRISTMAS

Almost everything in the store re-
duced from 10 to 20 and 30 per cent,
and in some cases more. Many lines
we cannot purchase again at our pre-
sent cut prices. If prices remain up,
we are foolish; if wholesale prices
drop, we are wise. With the manu-
facturing difficulties and labor prob-
lems, the shrewdest buyers see no
possibility of phenomenal change in
prices for spring, 1921. Notwithstand-
ing these facts, we are going to play
"Safety First."

OUR BIG REDUCTIONS FROM PRESENT VALUES

will give our customers a chance to
purchase from Great Stocks of Stan-
dard Merchandise. Just what they
want, at unmatched prices, no differ-
ence from what source.

PULL TOGETHER

London Daily Express: "Pull to-
gether"—that is a motto well worth
giving to the nation today. On many
points of policy there must always be
sincere differences. Men see different
roads to a common goal and find con-
troversy in questions where all are
animated by common ideals. "That is
inevitable, and the stilling of all such
disputes might betoken nothing nobler
than poverty of thought and inactivity
of mind. But many of the gravest
problems of the day can be solved if
all will pull together with the same
cheerful sacrifice of the non-essentials
of individuality that we showed in the
days of war. In the din of controversy
and party cries we are apt to forget
all but the issues on which we must
profoundly disagree. It is well that
we should be reminded of the many
and far more important things on
which we can all agree, and that we
should be called back to the common
tasks and ideals."

NEW FUEL REGULATION

The Ontario fuel controller is issu-
ing special instructions to all dealers
that in filling further orders they
must first secure from the consumer
a declaration that he has not on hand
sufficient coal to last him through the
winter. The order will go to all deal-
ers and the mayor each municipal-
ity. Information is also being gather-
ed by the fuel controllers that when-
ever emergencies arise, immediate
steps may be taken to relieve the sit-
uation.

So the meddlesome women's clubs
want to banish tobacco. Why not get
after the foul-smelling cigarette?

Twenty thousand out of employment
at Montreal; sixteen thousand out of
employment at Toronto; similar con-
ditions in all the other large centres.
And with not enough government jobs
to go round, there will soon be a big
movement back to the farm. Then
will the high cost of living take a
tumble. It's surely coming.

VICTORY OF PEACE

Tune: "Peace, Perfect Peace."
Peace, victory's peace!
Now silent all the guns;
The peace of victory.
Lord, give all our sons.
Peace, silent peace!
Tread softly o'er our dead;
Teach us, oh Lord,
For what this blood was shed.
Peace, healing peace!
The balm for wound and pain;
Oh, heal our broken hearts—
Our boys are slain.
Peace, Calvary's peace!
They died that we might live;
To us, less worthy hearts,
Their spirit give.
Victory of peace
And peace of victory;
Lord, crown the dawn of peace
With liberty.

WOULD CHANGE MARRIAGE LAW

Among suggestions offered by Dr.
J. W. S. McCullough, deputy registrar-
general of Ontario, to the provincial
Public Service Commission with re-
gard to amending the marriage law of
Ontario, were the following:
Issuance of marriage licenses to be
vested in clerks of municipalities; all
permissible celebrants of marriages
to be duly registered, with possibly a
beginning of a regulation requiring
guarantee of mental and physical fit-
ness as a condition in the securing of
license; retention of the present sys-
tem of issuing marriage licenses in
unorganized districts. Dr. McCullough
stated that in Toronto there were is-
sues of licenses who were quite illit-
erate. A day or so ago, Mr. McCul-
lough said, he had received a letter
from an issuer of licenses who wrote
"eta" for "used to."

Chairman W. D. Gregory asked why
so many jewelers were issuers of mar-
riage licenses, to which Dr. McCul-
lough intimated that the hope of sell-
ing jewelry very probably had some-
thing to do with it.
"And there are undertakers, too,
who issue licenses," remarked the
chairman.
He could not explain why this was
so.

MAY CURTAIL PRODUCTION

Sugar beet growers in south-western
Ontario are asking for a larger share
in the profits of the crop for 1921. In-
stead of a minimum price of \$9 per
ton, \$10 is being asked, when refined
sugar is selling at eight per hundred-
weight, and a bonus of a dollar and a
half for every increase of one dollar
in the price of the finished product
over eight. Growers claim that the
scarcity of labor and general higher
costs of production make this step
necessary, and state emphatically that
unless their demands are granted they
will turn to other lines of agriculture.

Don't marry an old flame with the
expectation that she will get up on a
cold morning and light the kitchen
fire.
An increase of \$89,335 in the net
profits of the Cocksbutt Plow Co. is
shown in the annual statement recent-
ly made public.

ELGIN WINTER FAIR

The Elgin Winter Fair to be held at
West Lorne on Nov. 23 to 26 promises
to be the best in the history of the
association. Already a very large en-
try has been made in all departments.

Wednesday, Nov. 24, is school child-
ren's day. Buildings open to the pub-
lic from 1 p. m. to 10 p. m. At 2 p. m.
children's exercises in the opera
house. At 8 p. m. in the opera house
W. D. Hobson of Woodstock will give
his celebrated talk on "Song Birds of
Ontario." Mr. Hobson's program is
unique and interesting and includes
the calls and songs of the birds. A
musical program will also be given.

Thursday—buildings open to the
public from 10 a. m. to 10 p. m. At
8 p. m. Prof. Reynolds, president of
the Ontario Agricultural College, and
Mr. John Farrel of London will de-
liver addresses. Prof. Reynolds is one
of Canada's leading educationalists
and a very fluent speaker.

Friday—buildings open from 10 a.
m. to 3 p. m.
25c admits to show building and
evening meeting. A 50-cent member-
ship ticket will admit to the show
building at any time and all opera
house meetings any time during the
show.

Miller's Worm Powders will clear
the stomach and bowels of worms, so
that the child will no more be trou-
bled by their ravages. The powders
are sweet to the taste and no child
will object to taking them. They are
non-injurious in their composition, and
while in some cases they may cause
vomiting, that must not be taken as a
sign that they are nauseating, but as
an indication of their effective work.

"Mamma, why has papa no hair?"
"Because he thinks so much, my dear."
"But why have you so much?" "Be-
cause—go away and do your lessons,
you naughty boy."

MAKES A CORRECTION

To the Editor of The Transcript:
Sir,—In a recent issue of your paper
there appeared an item taken from
the London Free Press stating that
the Co-operative Co.'s store in Blen-
heim was closed. The matter has
been referred to the editor of the Free
Press' Sun who informs me that the
U. F. O. have no co-operative store in
that town; and I am further informed
by the president of the co-operative
store in St. Thomas that the U. F. O.
never did have a store in Blenheim.
It is the aim of the U. F. O. to deal
direct from factory to farm, thereby
eliminating the middleman. This ac-
tion of the farmers has raised the ire
of those gentlemen who seem to be
resorting to any method, foul or fair,
to discredit and discourage any efforts
of the U. F. O. in this direction.
I trust you will give this the same
publicity that you did the quotation
from the Free Press.

Fresh Supplies in Demand.—Where-
ever Dr. Thomas' Electric Oil has
been introduced increased supplies
have been ordered, showing that where-
ever it goes this excellent Oil impress-
es its power on the people. No mat-
ter in what latitude it may be found,
its potency is never impaired. It is
put up in most portable shape in bot-
tles and can be carried without fear
of breakage.

PEOPLE WHO ARE STARVING

The Chinese are not the only people
who are starving. There are thou-
sands of women and children in Europe
who are dying and wasting away for
want of food and many perish for lack
of clothes to keep them warm. The
Red Cross Society, that has done so
much for suffering humanity, is ap-
pealing to the public for \$30,000 to
help provide the necessities of life
for them. We are sure that the ap-
peal to our citizens will meet with a
hearty response, notwithstanding the
frequency of those appeals.—Hamilton

The death rate in the United States
in 1919 was the lowest recorded in any
one year.

THE TELEPHONE GIRL

The Telephone Girl sits in her chair
And listens to voices from everywhere.
She knows all the gossip, she hears
all the news,
She knows who is happy, and who has
the blues,
She knows all our sorrows, she hears
all our joys,
She knows every time we are out with
the boys,
She knows all our troubles, she knows
all our strife,
She knows every man who is mean to
his wife,
She hears the excuses each fellow em-
ploys,
She knows every girl who is chasing
the boys,
She knows every woman who has a
dark past,
She knows every man who's inclined
to be fast;
In fact, there's a secret 'neath each
saucy curl
Of that quiet, demure-looking Tele-
phone Girl.
If the Telephone Girl would tell all
she knows
It would turn all our friends into bit-
terest foes;
She'd start a small wind that would
soon be a gale
And engulf us in trouble and land us
in jail;
She could let go a story which (gain-
ing in force)
Would cause half our wives to sue for
divorce;
She would get all the churches mixed
up in a fight
And turn all our days into sorrowing
nights;
In fact, she could keep all the world
in a stew
If she told a tenth part of the things
that she knew.
Now, doesn't it set your head in a
whirl
When you think what you owe to the
"Telephone Girl."
A man in the States has just return-
ed after spending ten years on an is-
land without human companionship.
He made a wager ten years ago that
he could do this and has now returned
to receive his compensation. When
he left for the island his health was
impaired but he has returned hale and
strong.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children.
Foods are specially prepared for babies. A baby's medicine
is even more essential for Baby. Remedies primarily prepared
for grown-ups are not interchangeable. It was the need of
a remedy for the common ailments of Infants and Children
that brought Castoria before the public after years of research,
and no claim has been made for it that its use for over 30
years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric,
Drops and Soothing Syrups. It is pleasant. It contains
neither Opium, Morphine nor other narcotic substance. Its
age is its guarantee. For more than thirty years it has
been in constant use for the relief of Constipation, Flatulency,
Wind Colic and Diarrhoea; allaying Feverishness arising
therefrom, and by regulating the Stomach and Bowels, aids
the assimilation of Food; giving healthy and natural sleep.

"No Nation Can Rise Above The Level of Its Home Life"

RAISE the standard of living
in the home and the standard
of the nation rises with it.

Canada was one of the first countries
to respond to the now world-wide movement to
beautify the home. And there are no people
in the world who are in a better position to
afford and to appreciate the best and truest
things in life than we in Canada.

Furnishings Mould Character

The important part that the furnishings of
the home play in moulding character and de-
veloping a true pride in family and in race is
better understood today than a few years ago.

How are children to be led to appreciate
the solid, substantial things in life—the beau-
ties of art, the love of good literature, the
desire for culture—unless they have the pro-
per surroundings in the home?

Improve the Home

Beautify the home with furniture that is
designed on truly artistic lines. Make the
home a place of cheerfulness, refinement and
heartiness. Make it breathe warmth and
healthfulness. Make it truly hospitable, solidly
comfortable—a home that inspires interest
in all that is good and worth while in life—
and it will mould character and develop true
pride in family and in race.

To procure furniture that will elevate and
make the house a home of which you can be
justly proud does not call for extravagance.
Good taste is more necessary than a large
expenditure of money.

There are beautiful suites and individual
pieces of furniture obtainable at moderate
cost, which are true works of art, many of
them being correct adaptations of the designs
of the "old masters" who created the "Period
Furniture" so much in vogue today.

A "Queen Anne" Room

As a suggestion, study our sketch of a
"Queen Anne" bedroom. It shows the beau-
tiful and refined effect obtained by the selec-
tion of an artistic suite of bedroom furniture.

Just two or three pieces of artistically de-
signed furniture will raise the level of an
entire living room. And by gradually adding
other pieces and suites in the different rooms,
you will, before long, work a magical trans-
formation of the home.

A Finer and Greater Nation

Every advance in refinement and culture,
every improvement in the home surroundings,
every influence that raises the ideals of home-
life, makes the nation that much finer and
stronger.

We are living in progressive, prosperous
times in a country with a glorious future,
therefore, Canadians have every incentive and
can well afford to beautify their homes with
new and better furniture.

be pleased to give you any information you desire about suit-
able furniture for your home.
