VII. And be it enacted, That the division or side lines between the various numbered Lots in the Sixth, Seventh, Eighth, Ninth and Tenth Concessions of the said Township of Beverly, shall be drawn and established parallel to the eastern Boundary lines of the said Concessions respectively. 15

VIII And whereas, in consequence of the provisions of this Act, intended to confirm the holders of land within the Square Township in the possession of the lands which they have long occupied, the proprietors of lands granted as in the West Gore of Beverly, will be deprived of lands granted or intended to be granted to certain individuals from whom they have derived the title and claims under which they hold; and whereas in the private Surveys referred to in this Act which were originated by the inhabitants of the said Township of Beverly, and performed by Surveyors employed by them, but which it is the intention of this Act to legalize, many Lots have been laid off with a wider frontage and have received a larger quantity of land than it was intended by the Patents under which they were granted that they should contain, inasmuch as had a correct subdivision been made there would have been an ample sufficiency of land to have given to all the grants, both in the Square Township and in the West Gore, their full complement of land, and it is consistent with equity that those who have benefited or may benefit by the decree of the Boundary line Commissioners hereinbefore referred to, or by grants made in the said Gore being circumscribed or reduced in extent in consequence of the excess in quantity which they have acquired, and whose titles will be confirmed by this Act, should contribute their due proportion towards compensating those who have suffered or may suffer loss in the premises; Be it therefore enacted that it shall be the duty of the Municipal Council of the Township of Beverly, within six months after the passing of this Act, to ascertain the losses over and above the amount both awarded and paid under the decree of the Boundary Commissioners, dated 9th March, 1839, 20 25 30 35 40
