

LIII. And be it further enacted by the authority aforesaid, That if any person shall be so attacked as aforesaid, on Board any Steam Boat or Vessel, between Quebec and Three Rivers, or between Three Rivers and Sorel, or Three Rivers and Berthier, or between Berthier, or Sorel and Montreal, it shall be the duty of the Master of such Steam Boat or Vessel to give information thereof to the Medical Officer at the first of the said places at which he shall arrive, and the person or persons so attacked, shall be landed at such place, and shall be conveyed to a house or Hospital therein, and be there properly taken care of.

LIV. And be it further enacted by the authority aforesaid, That if any death or deaths shall happen on board any such Vessel or Boat, between any of the places aforesaid, the Master thereof shall cause the body or bodies of the deceased to be deposited in a separate apartment, and shall notify such death or deaths in writing to the Medical Officer, at the first place at which the Boat or Vessel shall afterwards touch, and shall in such notice, mention the name and age of the deceased, and the name of the place from which the deceased last came; and such Medical Officer shall cause the body, or bodies to be buried at such place, so soon as it may be possible-after receiving such notice.

LV. And be it further enacted by the authority aforesaid, That every Vessel or Steam Boat having Passengers on board, and arriving in Montreal, shall be obliged to come to anchor at the distance of _____ from _____ until she shall have been visited by the Health Officer of the Port of Montreal, and shall have received from him instructions and directions with regard to the landing of her Passengers, (whether sick or in health,) at the places appointed for that purpose by the Board of Health for the District of Montreal: Provided always, that the said Health Officer shall give such instructions and directions within _____ hours after the arrival of the Steam Boat or Vessel
