## 175 Enrolled

On Friday the new class of Veteran students arrived for registra-College, Wilmot Park. These veterans obtained their discharge too late to enable them to enter last September and plans were then instituted by the U. N. B. Senate to make it possible for newly discharg ed veterans to take steps to start their University course without the necessity of waiting till next September which would otherwise be the case. The present facilities at Alexander College indicate a great amount of planning and organization. Arrangements had to be made to obtain the use of the hutments which comprise the southern portion of the camp that has been known during the war as No. 70 C. I. (B) T. C. These temporary hutment buildings nave undergone heavy wear by the thousands of young men who have taken their basic training during the past six years. The sleeping quarters are the double-wing huts William Young Smith, has been kitchen and dining room have been presidency of University of New redecorated and adequately equip- Brunswick.

### S. C. M. Holds First Meeting

A very informative and thoughtprovoking address was given by Jack Bishop, Maritime Secretary of the S. C. M. at the Sunday evening meeting of the Movement.. After relating briefly his experience at the other Maritime universities, he described in considerable detail the effect of the University Christian Mission, held at Acadia last fail, on that colloge and on its S. C. M. "During the hectic days of the Mission, nearly every student on the Canada that has soared in such a campus was reached with a mature ber 27 to 29. ## John Hough Gets I.O.D.E. Scholarship

JOHN HOUGH

The first award of the I. O. D. E. ost-Graduate (Overseas), Scholarship for New Brunswick in the past six years has been won by John E. Hough.

John came to U. N. B. as a Beavrbrock scholar from Fredericton High School and while in attendance was awarded E. B. Bustead Memorial Scholarship in Economics and the Thomas Harrison Memorial Scholarship in Mathematics.

He was one of the organizers of in the telegraphic chess match with

He graduated in 1945 with a B. Sc. in Electrical Engineering (Electronics), enlisted in the Signal Corps and returned this fall as an instructor in the Physics Department. In addition he is taking a post- graduate course and doing thesis work on cosmic rays.

These scholarships are to the value of \$1,300 tenable for one (possibly two) years. Candidates must be British subjects, having passed their 19th but not their 27th birth day. They must be unmarried and have done or be doing post-graduate work. More information may be obtained from the I. O. D. E. Educational Secretary of the Province.

## OWENS REPORTS ON N.F.C.U.S. CONFERENCE

A conference of the National Federation of Canadian University students was held in Montreal, Decempresentation of the Christian gos- ed exchange scholarships, planning
