CO-ED SOFTBALL

The Coed Softball Tourney, which was played over two weekends, may have lacked in numbers but not enthusiasm. The final game of Tibbits/Neill versus Harrison Huskies showed just what softball was all about. With Shane Betts pitching for Tibbits/Neill you know the game wouldn't be a high scorer for poor old Harrison. And then to add to Tibbits/Neill's luck, "Homer" Sandy lead his team to victory with his two home runs mid game. The score was.....well let's just say "Congratulations to Tibbits/Neill".

UNIVERSITY OF NEW BRUNSWICK AWARDS FOR EXCELLENCE IN TEACHING

ATTENTION: STUDENTS AND FACULTY

THE AWARD is dedicated to the late Dr. Allan P. Stuart and is to honour persons who are representative of outstanding teaching achievement at the University of New Brunswick.

ELIGIBILITY: A candidate must teach at least one 3-credit hour undergraduate course, and at least one 3-credit hour course each term, during the academic year in which the nomination is made. It is not expected that the nominees should excel in all criteria listed on the nomination form, but they should be qualified in most categories. Individuals are not eligible if they have been previous recipients of the Award.

NOMINATION: Candidates for the Award are proposed and recommended to the Senate Committee on Quality of Teaching by students and faculty of the University.

The basic information required is contained on the Nomination Forms, which are available from the University Secretary, Fredericton; the Vice-President (Saint John); the Student Council, Saint John or Fredericton; and Faculty offices. No one may nominate or support more than one candidate. The form must be signed by two nominators. The Committee places little value on long lists of signatures supporting a nomination. However, signed letters or paragraphs of support from a variety of sources (current and former students, faculty members, Department Chairs or Deans) can enhance a nomination.

Send nominations to the University Secretary, Room 110, Old Arts Building, UNB Fredericton, or to the Vice-President (Saint John), Room 110, Oland Hall, UNB Saint John.

Cross Country Continued

Phillips was appointed to the AUA All-star team. With the wet and muddy course at the nationals, she reached the 31st position among university runners in a time of 20:14.

James Murphy raced to 40th in the CIAUs after his fourth place achievement in the AUAs. Despite Andrew Dunphy's uncharacteristic lapse in the Atlantic final - finishing 15th - he too was sent to London where he placed 80th. Randall hopes to build a stronger men's team next season.

"We're losing Andrew and Dave [Fraser] ... But hopefully there's enough guys waiting in the wings that we can fill those positions."

Randall reflected on the past season and senses a change coming soon. "The cycle's gotta change. Dal has won [the men's AUA] the past three years in a row, whereas UNB had won the five years before that ... The great thing about the girls' team is that they still look like they're going to be even better next year," he said. Hopefully Randall's returning team members will demonstrate the success he believes they are capable of. "The Dalhousie coach told me [during the AUA weekend] that we actually scared them this year. We're gonna do more than that next year."
