(Private)

Dear Mr. Stewart:

I have your letter of the 16th inst., marked "Private", mentioning that certain gentlemen have kindly asked to meet me privately the first time I am in Toronto.

President Eliot, of Harvard, has asked me to represent Harvard University at Dr. Falconer's inauguration so that I expect to be in Toronto in connection with the ceremonies on that occasion. Something has been arranged for both Thursday and Friday, though I have not yet heard just what the particular functions are. However, I will be very pleased to meet the gentlemen you mention on either of these days, or on Saturday, at such time as may best meet their convenience, provided the hour arranged did not conflict with any part of the University functions, at which, under the circumstances, I would be expected to be present.

Thanking you for your kindness in writing me in the matter, and with kind regards, I am,

J. F. M. Stewart, Esq.,
Sec. Toronto Reform Association,
Toronto.

Yours very truly,
