

11533

Orlyield.  
Sep. 25.

Dear Mr. Mackenzie King  
I return your  
letter - which you see  
I reply received - signed  
as it should have  
been in the beginning!  
As you may imagine  
it was no trouble to  
my father to fetch  
the necessary signature  
where it belonged.
