Vancouver, B. C.

My dear Mrs. Stowell:

I have your letter of 23th May and have read same with care and with very much sympathy for the opinions you express.

We are now in a position of having a Government in office whose approach to this war has by no means been the approach of the great mass of those behind the war effort. I fear there is much we are going to have to endure because of this undoubted fact.

Yours very truly,

AM/R.

Arthur Meighen.
